THOUSANDS of Daly City youngsters gathered yesterday (Thursday) at parks throughout the city for the annual Easter egg hunt sponsored by the recreation department. This year all of the hunts were held at the same time, 11 a.m., although the department retained the practice of dividing children into

the different age groups. Shown here are youngsters searching for eggs on the lawn of Marchbanks park. THE RECORD photo

LEGAL SLIP-UP STYMIES AUTO AGENCY RE-ZONING REQUEST

The Town Record

By MONTE DAYTON

If you've never seen any "Maundy Money" it's on display today at the DC Pet Shop, 6277 Mission street.

Maundy money for the sake of the un-informed (which included this party up to a day ago) was given by royalty in England in lieu of washing the feet of 12 poor people on Maundy Thursday.

That's right . . . washing their feet. As part of the holy observance, the kings ablated the footstools of the less fortunate.

As the custom grew less popular after the 1500s, especially with the kings, the royalty was allowed instead to circulate the small coins known as Maundy money.

As far as "Pen" at the pet shop knows, the two pieces of coin she has are the only ones in this country. The specie is only about one-quarter inch in diameter and probably the smallest money you'll ever lay eyes on.

So if you want to see some Maundy Thursday money, drop in Friday.

Still on the ecclesiastical side, the Hope Lutheran church will celebrate Quasimodogeniti on April 8, which is the first Sunday after Easter.

\$500,000 SEWAGE PLANT DEDICATED

(See Photo Page 2)

The new \$500,000 sewage treatment plant in Westlake was described as a "monument to progress" Sunday at special ceremonies attended by nearly 100 persons.

Wayne Middleton, grand past president of the Native Sons of the Golden West, was principal speaker at the dedication held at the plant site on Alemany and Lake Merced boulevards.

He declared that the directors of the district "should be lauded for building this plant at a cost nearly \$100,000 under the original estimate."

Middleton said the plant was a "contribution to civilization" and that the real significance of such an undertaking was not realized by the majority of the people. "It's something the citizens can be proud of," he related.

Acting as master of ceremonies was Edward J. Dennis, chairman of the North San Mateo County Sanitation district board of directors. He introduced fellow directors Thomas Callan Sr. and Sanford Vickers, who each gave brief talks. Callan urged those present to "Keep these good officials," obviously referring to the recall movement now in progress against three councilmen, one of whom is Vickers, and the city election. Al-

ADOPT NEW PROGRAM FOR JEFF SCHOOL LAND ACQUISITION

2,500,000 Dollar State Loan OK'd

Authority to borrow up to \$2,500,000 from the state for new classroom construction was granted overwhelmingly Tuesday by voters of the Jefferson Elementary School district.

The measure, requiring a two-thirds majority, received 1588 yes votes, 275 no, or a margin of almost six to one.

Although it was a comparatively light vote, it was one of the largest majorities ever accorded a school bond or loan measure.

Only 1869 voters of the 12,293 eligible went to the eight polling places.

The loan issue received heaviest endorsement in precincts which are primarily double sessions areas. In only one precinct, Jefferson, was the vote even close, with 76 yes votes recorded, 51 no.

Following is a breakdown of votes by precincts:

Precinct	Yes	No
1. Crocker	243	69
2. Woodrow Wilson	278	80
3. Jefferson	76	51
4. S. R. Johns	132	8
5. Garden Village	245	14

Charge Bartender With Selling Liquor During School Vote

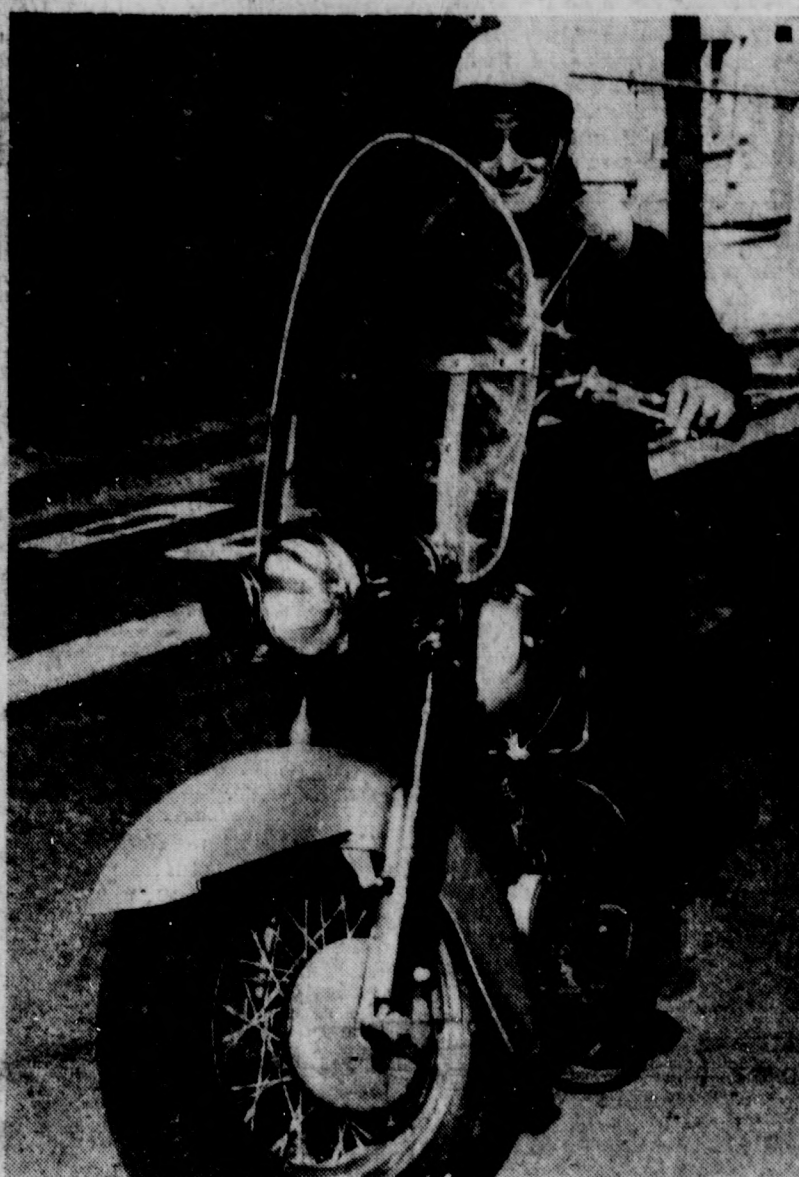

Bartender at the Casbah, 6192 Mission street, was arrested Tuesday on a charge of selling liquor during the school state loan election.

Released on \$250 bail and scheduled to appear in municipal court on April 17 is Carl Warren Johnson, 23, 919 Athens street, San Francisco.

The violation was discovered at 6:40 p.m., only 20 minutes before the time polls closed, by Daly City Police Sergeant Dave Hansen. Police said the bartender was making a routine check of local bars when he found eight customers being served liquor at the Casbah.

The bartender told police that he did not know an election was being held.

LIFE SAVERS — Daly City Motorcycle Officer Edward Beecher sports one of the new white helmets just received by the police department. The helmets, which cost \$29 each, were purchased by the city for the officers. Normally, policemen

are required to buy their own uniforms. According to Traffic Inspector Henry Sundermann, worth of the helmets has already been proved in other police departments where men's lives have been saved. THE RECORD photo

Shoemaker Gino Prato And Colma Man Meet After 35-Year Search

After 35 years of "wrong connections," Giovanni Pessagno of Colma and his old schoolmate, the now famous Gino Prato, finally got together for a long delayed chat at the Pessagno home at 1650 Bryant avenue.

The Colma resident and Opera Expert Prato had not seen each other for 35 years when they attended school together in Italy. Through the years attempts to locate one another failed.

"Right connection" was made after Prato's recent trip to the "old country" where he saw Pessagno's brothers who were able to give the shoemaker his old friend's address. A recent gala dinner at the Pessagno home attended by Prato and the L. Ivanis of Colma climaxed the 35-year search.

HURLING SANDWICH AT WAITRESS LANDS DC PAINTER IN JAIL

A 53-year-old Daly City painter was booked at the city jail Saturday night after Dessie Burke, waitress at local doughnut shop, complained that he threw a sandwich at her.

Charged with being drunk in a public place was Karl Schmidt, 53, of 259 Miriam street. Now free on \$25 cash, Schmidt is scheduled to appear in municipal court on Tuesday.

Making the arrest were Sergeant Dave Hansen and Reserve Officer John Muller.

FIRE BREAKS OUT IN AUTO TRAILER

A fire broke out, badly damaging a house trailer, at the Golden Gate Auto Court this Thursday morning when the owner of the trailer apparently left the heat on while he was away.

The trailer's owner, V. Mallory, whose wife is critically ill at a local hospital, could not be located, according to Daly City fire chief Elmer Kennedy, when THE RECORD went to press.

The furniture, including a TV set, and the inside of the trailer was almost totally ruined, according to Kennedy, who estimated the damage at from \$1000-\$1200.

Shoplifter Learns New 'Way To Live' At Mateo County Jail

A 49-year-old unemployed San Francisco cook, convicted Friday of shoplifting at Hilltop Market, is learning another way "to live" this week. Free board and room are being provided at the county jail.

George Edward Sampson, 49, was arrested last Thursday after he was caught stealing four cartons of cigarettes from the Mission street store. Sampson told officers that shoplifting was the only way he could live, police said.

After first entering a not guilty plea before Judge Thomas L. Bocci on Friday, Sampson changed his plea to guilty. He was sentenced to pay a \$300 fine or spend 30 days in the county jail. He chose jail.

A four-point policy of securing new school sites for future subdivisions was adopted by the Jefferson Elementary School district board of trustees Wednesday.

Concerned mainly with the proposed McKeon development of more than 2000 homes on property between Juhipero Serra and Skyline boulevards, the board authorized Business Manager David Shapiro to start projecting school site needs in that area.

Claim 150 More Recall Signatures

The recall forces today claimed 150 new signatures, more than enough to offset the few they were short when petitions were filed with City Clerk B. C. Ross last week.

Paul Selmi, leader of the group seeking recall of Councilman Michael De Bernardi, Sanford Vickers and Del Wilson, said he expected to file the supplementary petitions with the city clerk this Friday, and in the meantime would continue to solicit more signatures.

When first filed with Ross last week, each of the three petitions was a few short of the necessary signatures. A total of 1061 signatures, or 12 per cent of the registered voters, was needed on each petition to force a special election. There were 1038 signatures on Wilson's petition, 1028 on Sanford Vickers', and 1009 on De Bernardi's.

Selmi claimed that 150 new signatures had been obtained, and added that he hoped to get more than 200 signatures above the number required.

On receipt of the petitions, the clerk will certify them, which should take about three days, after which he will present them to the council, probably for the April 9 meeting. The council then has not less than 35 nor more than 40 days in which to set date for a special election.

The special election will cost between \$3000 and \$4000 and should any or all of the councilmen be recalled, another election costing approximately the same amount will have to be held to replace the ousted officials.

Jefferson Student Dies Tuesday From Diabetes

Laurence A. Glover, 16, the son of Mr. and Mrs. John Glover, 197 Bismark street, Daly City, died at Mary's Help hospital Tuesday several hours after developing a case of diabetes.

Glover, a student at Jefferson high school, had recently taken a physical examination and been pronounced physically fit. He was a member of the Mariposa Boat club of San Francisco.

Funeral services are scheduled to be held this Friday morning at 9:30 o'clock from W. C. Lasswell company, followed by interment in Holy Cross cemetery.

COMPLETE DETAILS ON CHURCH SERVICES

Persons of all faiths will gather Friday and Sunday to worship at their churches on observance of Good Friday and Easter.

For church notices, stories and pictures telling of special Good Friday and Easter services and activities at area churches, see pages 9 and 10 of this week's RECORD.

JEFFERSON elementary school district teachers, 183-strong, gathered Friday for a teachers' workshop. The day-long conference was held at Colma school and lasted from 9 a.m. to

3:45 p.m. Guest speaker was Dr. Matthew Vessel, head of the education department at San Jose State college. Following an educational film, "Passion for Life," in the early afternoon,

the teachers met in smaller interest groups, each featuring an expert in the particular field under discussion.

Fired Cop Johnstone Seeks New Trial

Arguing that he did not know new evidence could be submitted during the last trial, Attorney John J. Fahey Tuesday asked for a re-trial for David Johnstone Jr., fired Daly City police inspector. Superior Judge Edmund Scott, who earlier sustained the city

council's position in dismissing Johnstone last year, granted the city five days in which to submit its briefs and Fahey five days in which to answer. Frank Blum represents Daly City. The judge's decision was based on transcript taken at the lengthy

hearings in which Johnstone was accused of "association with a known gambler and failing to report investigations to his superiors." Fahey claims there is no evidence to support the city council's dismissal of the officer.

Johnstone's attorney also indicated Tuesday that he had more evidence which would prove the officer's innocence, but had not presented it at the first trial before Judge Scott.

so introduced was M. H. Coblenz, plant superintendent, his assistants, and other district personnel.

Invocation was led by the Rev. Roy Milam of Westlake Community Baptist church, while Father Joseph O'Reilly of Our Lady of Perpetual Help church delivered the invocation.

The flag was flown at half mast and a minute of silence was observed in memory of the late Thomas L. Hickey, veteran county supervisor and one-time member of the sanitation board, who died Saturday.

SLOW DOWN AND SAVE

A car driven at sixty miles an hour uses forty per cent more gas and fifty per cent more oil than a car driven at forty miles an hour. Drive at moderate speeds, says the California State Automobile Association, and save both your pocketbook and your nerves.

PEDESTRIAN DANGER

A wet, rainy night is the most dangerous time there is for pedestrians, says the California State Automobile Association. If you're walking, look out for vehicles and don't assume that the driver can see you. If you're driving, make sure your windshield wipers are working properly and keep a sharp lookout for persons afoot.

NEW \$500,000 sewage plant in Westlake was dedicated Sunday before a crowd of approximately 100 persons. Shown addressing the group is Sanford Vickers, one of the directors of the North

San Mateo County Sanitation district, while at his left is Chairman Edward Dennis, master of ceremonies for the day, and other civic dignitaries. Following the ceremonies, guests

were taken on a tour of the modern primary treatment plant, which is located off Alameda and Lake Merced boulevards near Westlake park.

will be held for the new church building on Old San Pedro road.

Reminds us of an actual story related by a local pastor concerning a sermon given Easter day by a fellow member of the cloth.

On greeting the congregation Easter morning, the pastor hailed them: "Welcome to you all, and since I probably won't see you again until next year, Merry Christmas."

For the first time, Daly City will have an annual report on its activities published in book form. The booklet will be available in a month or so.

County sheriffs officers had better be more careful about taking drinks on duty at an outside-the-city-limits bar.

The Broadmoor police patrol the area pretty well.

Look for Coastside civic clubs and school organizations to push for a fellow Coastside to replace MILDRED MCGEEIN, who is retiring from the Jefferson High School district board at the end of her term.

The Coast communities, which will soon be sending as many youngsters to the Jefferson High schools as Daly City and Broadmoor, would like to get an ally on the board for Trustee RAY WHITNEY, who is also from the Coastland.

Council candidates have been beefing that their political signs are being torn down.

Practically all the candidates have been victims of the sign vandalism, but each one claims resolutely he would not engage in such practices.

The funny part of it is that there is no law against tearing down signs which are placed on public utility poles. In fact, it's against the law to put the signs there.

Maybe the culprits are really public-spirited citizens.

Mentation for several citizens, the PTAs and the public in general for passage of the \$2,500,000 state loan authorization.

not object to the re-zoning, but had asked that only 24 feet of the property be changed to commercial, giving them a one-foot "buffer" area to prevent access to the building from the rear.

Hutchinson charged that at a preliminary discussion, Neville Motors had agreed to the 24-foot re-zoning, but at a later meeting had altered their stand without notifying the property owners affected.

Eliminate Eyesore
Attorney Conrad Reich, representing Neville, pointed out that approximately \$250,000 would be spent on the development, and that it would replace dilapidated old buildings which constitute an eyesore.

He also denied that the residents were not notified. "As soon as I came into the second hearing I immediately told the people that the 24-foot re-zoning was out."

Hutchinson declared, "There is some question as to whether this is a technical affair. I have serious doubts if you (the council) could sustain any action approving the re-zoning because of this."

"If there is a technical defect," the homeowners' lawyer continued, "I suggest you turn it back to the planning commission."

Mayor Joseph Verducci ordered the hearing continued until April 9 and called for a full report on the slip-up from City Manager Howard Stites.

Other Business
In other action Monday, the council:

1. Held over request of South San Francisco to adopt a resolution urging that Junipero Serra boulevard be taken into the state highway system.

2. Approved two-hour parking limit on Mission street for the area between Westlake avenue and School street on the West side. Vista to Beta and Eastlake to Price streets on the east side.

3. Approved application of Wonderlite Neon Products Co. for use permit to install neon sign at 1901 Junipero Serra boulevard.

4. Passed resolution commending Ken Venturi of this city for winning the recent San Francisco Open Golf championship.

5. Passed resolution vacating portions of Lausanne street, subject to final exchange of properties with Jefferson Elementary School district, which will build Vista Grande school in that area.

6. Announced that decision on application of two companies for taxi permits would be held up for further study.

Only 10 days remain until Daly City residents go to the polls to select two councilmen and a city treasurer to help govern their city for the next four years.
Up to now, the political race has been relatively quiet, but each candidate has attempted to outline his platform through weekly space given in this newspaper.
We have allotted this free space because we feel it is of vital importance to the citizens to know just what a candidate stands for, what his promises or intentions are.
When a citizen steps in the voting booth and stamps the ballot, he should be aware that he, as an individual, is helping to mold the city's future by his choice.
A man's qualifications are equally as important as the platform which he has espoused.
An individual can have lofty ideals, but unless he has the mental acumen to carry them out in the rough and tumble life of government and practical politics, he is unable to do the service for which the people have elected him.
So it remains up to the citizens to decide which of the candidates have the necessary qualifications, along with a pledged campaign that agrees with that particular citizen's idea of what makes good government.
It is impossible for each candidate to get out and meet each of the city's more than 10,000 registered voters. Likewise, it is doubtful if more than a few citizens have the opportunity to get personally acquainted with the political aspirants.
Therefore, the citizen's only recourse is to study the published statements and advertisements of the candidates and make extensive inquiry into their qualifications with friends and acquaintances.
We exhort the voters to ponder the issues carefully and withhold their decision until they have exhausted every available source of information.
Just as the officials elected are obligated to serve their electorate, so are the citizens bound to place in office people of the highest caliber. You owe it to your community.

COMMUNITY SERVICE — Mariners of Ship No. 4 have donated a total of 453 hours of their time within the past three years towards helping at the north county district office, department of public health and welfare. Duties include folding and putting away linen, folding and wrapping towels for sterilization, and preparing paper towels, newspapers and cotton balls. Supplies prepared by the girls are used in nurses' bags and in the well child conferences. Shown here are (left to right): Karyn Williams, Cheryl Taylor, Ann Bergstresser and Miss Esther Ehlert, public health nurse and supervisor of Mariner activities. THE RECORD photo

Village Notes

Everybody turned out for the opening of the new stores in Westlake, seems like. Saw Marian Miller, Dolly LePine, Lisa and Fred Moore and family, Dorothy Orton and family one day, and know for sure that Dot Manis, Harriet Hagerman, Vi Murphy and Kay Logan were around, to say nothing of a few hundred more Villagers!

Nomination for the bravest man and father of the week goes to Ray Hruska, who came back to Thornhill this weekend from Seattle to help Marie pack the family up and take off for their new home up north. The bravery comes in because Ray is going to drive Sonia, Raymond and Marianne up in his Austin, (while Marie and baby John follow by plane) and any father who will take a three-day trip with three children by himself in a car that size is brave! Ray is assistant director of vocational rehabilitation for Alaska, and while the Hruskas will live in Seattle, he will travel in Alaska twice a year. The Hruskas are used to traveling—they've lived in 14 states during the past 16 years.

Also traveling were Haldane and Gladys Cashdollar, who spent a weekend in Red Bluff with Gladys' mother, Mrs. Jane McClellan. Gladys says spring has arrived there, in the thousand beautiful ways spring can arrive in almost any place.

Sixth Birthday
Red Bluff inevitably leads to Vi Murphy, and she has been her usual busy self down on Midway. First son John had a sixth birthday, and that meant cookies for his class in Mrs. Shields' PM kindergarten. Then, the next day, he had a party, with Gary Stettler, Bobby Collins, John Odea, Kevin Terry, Terry Travinsky and Jimmy Helmer gathering for the fun. And, the day following, Vi gave a birthday dinner for Lillian Hebert, a friend from San Francisco.

This and That: Happy birthday to Bea Meade of Maddux. . . . Judy Nelson of San Francisco spent the weekend with her cousins, the Kearneys of Larchmont. . . . After so long an illness, Martin Rist is now driving his car again, which many friends are very happy to see. . . . Hurrah for Dagny Golladay! She's been taking driving lessons, and now friend husband is driving a new wee small Volkswagen while Dagny has the family car. Everybody came out ahead! . . . Wonder who two riders tried to ride their horses through all the construction right by Benjamin Franklin—rather a dangerous thing to do. Ditto for all the kids who play there.

St. Patrick's Day
St. Pat's day was duly observed in traditional ways around the Villages. Ann Schweitzer even had a teenage dance at her home on Sweetwood, with dancing and refreshments tied for popularity. John Sorenson, Roy Roberts, Judy Krueger, Gary Bonn, Sharon Rasmussen, Dixie Howell, Bob Goodwin, Janet LePine and Sabin Eastman were the guests for the evening. The Mattison home has been happily busy this past week also, with Addie's parents, Mr. and Mrs. John B. Hundley, down from Redlands for a visit.

Nancy Hess turned six with a St. Pat's flavor, the wearing of the green, and a shamrock atmosphere around the house on 87th

street. Jimmy, Jerry and Danny Hess, Judy Ann Kaufmann, Andy Haberman, Guy and Gary Kubowitz, Carol and Mike van Hecke, Tina Smith and sisters Judy and Linda Hess came for games, fun and cake.

Double Rejoicing
This having been Easter vacation, Rev. and Mrs. John Glasse took advantage of it for a few days' rest at Big Sur. Just before they left, two bits of news came along which made for family rejoicing in the Glasse clan. One was the arrival of newest grandson, Jeffrey Howell, who is the proudest possession of Jack and Lou Glasse. This family lives in New Haven, Connecticut, where Jack recently passed the exams for his Ph.D. at Yale Divinity school. Ahead of him now is the hard work of preparing his dissertation. The other news concerns daughter Marie Jean, who will accompany her husband, Dr. Jesse W. Tapp, Jr., to a post in Puerto Rico as a medical missionary. They plan to leave sometime in early summer, after Jesse finishes his internship at Highlands hospital in Oakland. Small Elizabeth and Jane Tapp will go too, of course.

Fish story of the week: Ronnie Krawetz, John Guz, John Hess, Kenny Magoon, Gene Luttringer, Michael Cheda and Jerry Hyndman all went fishing at municipal pier the other day. They came home in a distinctly fishy state, complete with bullfish, shiners and one sea trout (courtesy of John Hess). We didn't hear anything about ope that got away, though.

Everybody is moving again—Ann and Buck Zweig are going to be Westlakers. Grant and Helen Holman will be going to Salt Lake City after school closes (business transfer). And Ruth and Joe Land are trekking Marin-wards. That leaves White street minus one family, and Foothill minus two. George and Pat Redmond are deserting Sweetwood drive for Crestmoor, but on the credit side is the fact that Bud and Jan Hink are going to stay on Maddux instead of leaving after all.

Extend Welcome
Also on the credit side is a welcome to extend to Richard and Doris Cox, who are now Villagers on Maddux. Leslie, Janet and Raymond will be new members of the school crowd. There are, no doubt, several other families who have joined the Villager ranks, and these we would like to welcome also.

Louaine is continuing its birthday party marathon. Latest entries are Ramey Lichtenberg and Greg Florio. Ramey, who became a young lady of eight, invited Karen Courtney, Gail Goodwin, Jenny Beckerman, Laurie Brandt, Dorothea Hale, Nancy Salvamini and sister Beth Lichtenberg for a party afternoon.

Daly City Mariners Give Aid To Public Health Nurses

Girls of Ship No. 4 of the Mariners have given a total of 453 hours of community service in the past three years to the north county district office, department of public health and welfare.

Guiding and orienting the Mariners in this service project is Miss Esther Ehlert, public health nurse. According to Miss Ehlert, the girls have saved many hours of valuable time for the nurses by accomplishing routine chores.

Mariner duties include folding and putting away linen, preparing towels for sterilization, folding paper towels and newspapers and making cotton balls. These supplies are used in nurses' bags and in well child conferences.

Girls who participate in this project are the following: Cheryl Taylor, Ann Bergstresser, Karyn Williams, Nancy Golladay, Drena Guaraldi, Jule Ann Halbrook, Carol Hansen, Maureen Kennedy, Barbara McCowan, Carole McInerney, Claudine McKee, Claudia Williams, Earlene Johnson, Shirley Rentsch, Sandra Williams, and Jo Ann Manjarrez.

Guiding Ship No. 4 are Mrs. John Hansen, leader; and Mrs. Ray Taylor and Miss Barbara Delucchi, assistant leaders.

The north county health office, located at 7375 Mission street, is a branch office of the county department directed by Dr. Harold D. Chope, who is assisted by Dr. Harlin L. Wynns, superintendent of the health division.

Public health nurses at the office provide a combined nursing service which includes bedside care as well as a teaching program to prevent illness.

Many happy returns to our news editor Monte Dayton who will be celebrating a birthday April 2.

All the friends of Mrs. Daisy Wong on Abbot will be happy to hear that she is resting comfortably after her operation at the San Mateo sanatorium.

Belated anniversary wishes to Frank and Elsie Prisco on Brunswick who celebrated their 16th year as Mr. and Mrs. last Friday. Hear that the folks had a grand time celebrating the happy occasion.

The Boy Scouts in Troop 249 recently held their annual parents' night at the Bellevue hall. Many parents attended this meeting to watch their boys take part in this ever so important gathering.

Congratulations to John and Isabel Devlin on Evergreen who welcomed their seventh addition into the family on Sunday, March 12. John Patrick arrived at St. Luke's hospital and tipped the scales at seven pounds, 14 ozs. When Master John came home the welcoming committee consisted of Josephine, who is ten; James, seven years old; the twins, Francis and Phillip, who are five; three-year-old Brian; and Susan, who is a year and a half. Understand there have been some birthdays in the family too. . . . so belated but happy birthday to Mom and Dad and Little Brian.

Another belated wish goes to Priscilla Gruenwald on Gambetta who celebrated her 11th birthday a few days ago. A wonderful party was enjoyed by Miss "Pis" and her thirteen guests.

Once a week that ever so busy den mother, Mrs. Irene Kelly on Brunswick, and her small daughter can be found over at Stonestown attending a very interesting craft class conducted by Mr. Quinly. This is an eight week course that is free and is open to the public.

Another youngster who has entered into the business world is Bobby Degroot of Vendome who recently acquired his own paper route. The people he serves are very happy to have such a well mannered and courteous boy serve them.

Mrs. Mildred Eschler on Bismark is spending most of her time these days going back and forth to visit her nephew Dennis who is in the hospital. Dennis, who makes his home in Sacramento, has been in the U. C. hospital under observation for a week.

The Girl Scouts in Troop 20 are sending happy birthday wishes to their leader, Mrs. Corinne Andrus on Abbot. Many happy returns to you, Corinne, from all your friends.

Paul Padgett of Abbot is almost completely recovered from his bad burns and is looking forward to joining his fellow classmates at the Thornton school after the Easter vacation.

The William Cowells and their two daughters are enjoying a wonderful weekend visit with the Lyle Knox family on Parma street. The Cowells, who reside in Reno, were former residents of our city.

The Owen MacNeals recently returned from a brief visit with relatives in Sacramento and had no sooner gotten settled, when due to the serious illness of Owen's mother they returned to Sacramento.

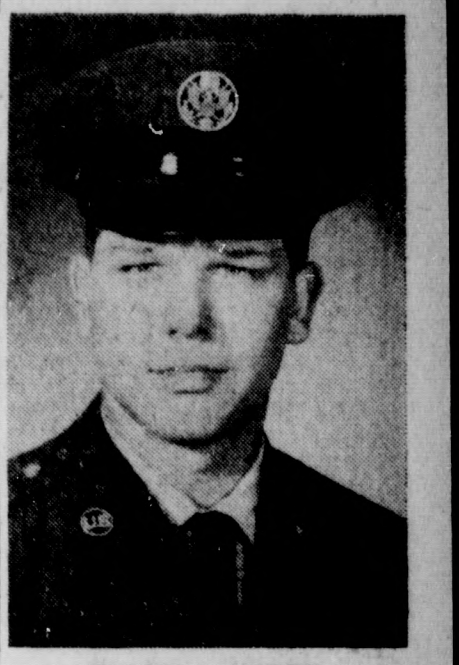

Joe and Louise Entwistle are looking forward to being in their new home on wheels real soon.

Ralph North Starts Basic Training At Parks AF Base

Airman Ralph G. North, son of Mr. and Mrs. A. E. North of 439 Willits street, has started basic training with the U. S. Air Force at Parks Air Force base. He is serving with flight No. 74, 3277 basic military training squadron, 3275th basic military training group.

RALPH G. NORTH
... Starts Basic Training

During processing, he will be tested and counseled for an air force assignment. Under a two-phase training program, Airman North will spend six weeks at Parks receiving ground work for future training. After completing the first phase, he may be sent to one of numerous technical or administrative schools. There he will finish his basic training while being prepared for an assignment.

If not immediately chosen for a school, he will remain at Parks to complete his basic training, and then be assigned to either a school or to duty at an air force base where his particular skill is needed.

Airman North entered the air force on January 31. Before his enlistment, he attended San Mateo college.

Kids, Picked Up For Questioning Are Released By Police

Four youths and two girls, all of San Francisco, were picked up for questioning on possession of hypnotics Friday night and later released because of lack of sufficient evidence.

Officers said the train of events began when they were called to a Mission street garage by attendants. Upon arrival, they said they found four boys working on a car. While questioning the youths, the officers spotted two girls, one of whom they said was unable to stand alone, or to walk from the garage office to the boys' car.

Calling for reinforcements, police took the girls to Junipero Serra hospital and the youths to the city jail.

Tests on the 18-year-old girl who appeared to be in a dazed condition proved inconclusive, although officers said her eyes were dilated and her speech was extremely incoherent.

Meanwhile at the police station, a search of the youths' car resulted in the discovery of two second tablets. A third tablet was later found hidden in the cigarette machine outside the station. Officers said that the girls and two of the boys had access to the hall before the discovery was made.

Listed as in the group were the following: Noreen Smandra, 18, student of 395 Cap street; Gloria Patao, 18, student of 451 Tehama street; Alberto B. Ramos, 19, sheetmetal worker of 1429 Shotwell street; Rene Enriquez, 21, utilityman of 35 Prospect avenue, and two juveniles, 16 and 17 years of age.

ing their Easter weekend visiting with his family in Arroyo Grande, Calif.

Yesterday the Girl Scouts in Troop 20 enjoyed a very interesting tour through the Golden State plant. The girls were accompanied by Mesdames M. Eschler, R. Gentile and M. Bradley.

When you have four children, celebrating their birthdays differently is a problem. So to help their daughter, Miss Cindy, fete her fourth birthday, Mrs. Pat Urbanos on Abbot decided they would all go on a family picnic. Everyone had a wonderful time (except Pat who had to stay home with a sick baby). Better luck next time, Pat.

Twelve guests arrived at the Baker home on Abbot last Monday to help Cindy celebrate her seventh birthday.

Happy Easter to one and all. . . .

Little Miss DC Predicts Big Things

By Mona Baker

"When I grow up, I'm going to be a movie star, and I'm going to buy my mother a big big house," emphatically declared "Little Miss Daly City"—Denise Petty—who lives with her mother and father at 70 Oaklawn avenue in Westlake.

The talented little girl isn't just day dreaming either because already at 3½ years of age she has played a dramatic part in "Not A Leg To Stand On" a story of the rehabilitation of a Navy man whose leg is amputated after an accident in San Francisco. The CBS network program which is one of the "Navy Log" series was filmed at Oak Knoll hospital, and was shown over KPIX on Tuesday evening.

In addition the tiny actress has been selected to play a part in "Lineup" which is being filmed in San Francisco this week and will be seen over KPIX soon.

Denise was selected "Little Miss Daly City" last fall and reigned over "David's Parade," the annual parade which is held in this area and which received national recognition in magazines and over NBC's "Monitor" program.

After talking to the pretty blond youngster it is easy to see why her career has already begun. She has the poise of a seasoned actress, is vivacious and responsive. As she talks her brown eyes sparkle and her whole face lights up. She is able to follow directions very well as seen in the "Navy Log" sequence where she was supposed to happily greet her father and be playful. Denise played her part skillfully with no previous re-

No Citations Issued in Alemany Blvd. Accident

Police issued no citations Saturday in an accident at Alemany boulevard and Dorchester avenue which caused an estimated \$200 damage to each of the two cars involved.

The collision occurred when an auto driven by John T. Miller, 31, interior decorator of 377 Knowles street, struck the rear of a car driven by Beverly Jean Luther, 22, deputy probation officer of 13 Belford drive, officers said. Miss Luther was attempting a right turn onto Dorchester when the accident happened, according to police.

hearsal.

The child star comes by her talent and beauty naturally. Her petite lovely mother was a model in Florida prior to her marriage and her father is Jack Petty, the well-known San Francisco orchestra leader whose band is now featured on the Lurline.

The Petty family have been residents of Westlake for about a year and are enthusiastic members of the community. Mrs. Petty has modeled in several local fashion shows and plans to do more volunteer work when her daughter is older. Denise is studying dramatics at the Ruth Dwyers Studios in San Francisco, and she also takes dancing lessons at the Mason-Kahn Dance studios in Daly City.

Just a few short weeks ago we met and talked to beautiful Lee Meriwether, Miss America 1955, who is now a famous television star on the NBC network. Perhaps right here in our own community we have a future "Miss America" in the person of pretty Denise Petty—"Little Miss Daly City."

FIRST DRAWING for half of the \$10,000 worth of prizes to be awarded in conjunction with the opening of 12 new stores in the Westlake Shopping Center will be held Friday at 8 p.m. Second drawing is scheduled for April 13. Top awards include

SCHOOL CENSUS HEAD THANKS ALL WORKERS

After weeks of planning, organizing, and calling on every home in the Jefferson Elementary School district, we have provided Dr. Bemis and his staff of Stanford researchers, working on the continuing school survey, with information that should enable more intelligent planning for the needs of our district.

Through the efforts of our six PTA presidents, 25 area captains, 300 survey workers, and over 10,000 home dwellers, we were able to gather information from 97 per cent of the homes in the Jefferson Elementary School district. Without the efforts of all, we hardly could have expected such satisfactory results.

We wish to thank all the PTA presidents, area captains, census workers, and home dwellers for their cooperation in making this survey such a success.

Heartiest thanks and congratulations,
Dennis Huajardo

W'lake Library Branch May Be Off Southgate

Possibility of Daly City acquiring a site off Southgate avenue near Maddux drive for the permanent Westlake library branch was disclosed Thursday by U. R. Kendree, managing director of the Westlake shopping center.

Discussion of a site was held during a special meeting of Kendree, City Manager Howard Stites and representatives of the library commission and Friends of the Library group.

Kendree said today that exact location of the library site would wait determination of placement of a post office and motor vehicles department branch, both planned for the same area as the library. The site will cover about 12,000 square feet, he said.

School League Will Recommend Choice For District Election

The qualifications committee of the League for Better Schools will present a list of persons it recommends to be elected to the district board of trustees at a meeting of the league April 9 at Westlake school.

The league's executive committee made no decisions as to persons to be recommended at its meeting Monday night, although many names were presented, according to Mel Battye, executive board member. However, Battye said that the committee will have its list of recommended persons completed after Tuesday.

At the April 9 meeting, the league will vote to accept or reject the committee's recommendations. The league does not select candidates. It's purpose is to seek out and encourage qualified persons to present themselves as candidates.

Persons desiring to present the name of a prospective candidate for the elementary school board election should submit a written biographical sketch to Don Lusher, qualifications committee chairman, 417 Castle street, Daly City, by April 3.

The April 9 meeting is open to registered voters in the Jefferson elementary school district. Attendance at this meeting will qualify anyone for membership in the league, Battye said.

Thief Takes \$135 Loot From Westlake Home

A color camera and a pair of rhinestone earrings, together valued at \$135 by the owner, were reported stolen Saturday from a Westlake home.

Police said that the victim was Mrs. Charlotte Goldhirsch, 36, of 1 Belford drive.

FOUR-YEAR-OLD HURT WHEN SHOE DISPLAY CASE TOPPLES OVER

A four-year-old San Francisco boy was injured Saturday afternoon when a shoe display case toppled over on top of him at Penney's department store in the Westlake shopping center.

Rushed to Junipero Serra hospital by police car was James Hann, 4, of 251 Ninth avenue, San Francisco. Officers said they found the youngster lying on the floor on their arrival at 3:30 p.m. after a call from the store.

The display case, five feet long by three feet high, was described by police as a "bit wobbly" but as requiring some force to fall over.

SENATE CONSIDERS ALLOCATION FOR THORNTON BEACH

Budget for state parks, which included an allocation of \$400,000 for acquisition of additional land for Thornton Beach State Park in Daly City, passed the State Assembly last week and is now in Senate for final scrutiny.

The overall parks and beaches budget of \$33,000,000 went to the floor of the Senate Monday with a "pass" recommendation from the upper house's finance committee.

Thornton Beach, first unit of a state master plan for development of shoreline parks in San Mateo county, will include 49.7 acres of land, 3100 feet of ocean frontage.

Local Man Gives Blood To Bank For 9th Time

Kenneth W. Martin recently donated blood to the Peninsula Memorial blood bank, according to a release received from the bank. Martin is listed as giving blood for the ninth time.

Others who donated blood are: Floyd G. Michael, second time; and James H. Packard, Michael Dotterweich, and Mr. and Mrs. Raymond Valente, first time.

'Double Trouble' Here

"Double Trouble" was registered in the book of Jerry Marsack, 80 Forest Grove drive, apartment 8, after car boosters took hub caps from his new car for the second time Saturday night.

Marsack told officers that the theft was accomplished while he was watching television between 7 and 10 p.m. Loss was estimated at \$21.

Scouts, Cubs, 10,000 Strong, Sell Tickets For 1956 Exposition

More than 10,000 Cub Scouts, Boy Scouts and Explorers are out in force this week selling tickets to their big 1956 Boy Scout Exposition scheduled for April 20-21 at the Cow Palace, Lake Merced district's 51 Scout troops and Cub packs are among those participating.

History is the keynote of the huge all-boy booth show, as the San Francisco Boy Scout Council celebrates its 40th anniversary this year. A number of booths at the show will be devoted to the historical theme, "Forty Years of San Francisco Scouting."

The Scouts' citywide ticket sales contest, also based on history, is called the "City of San Francisco Famous Explorers Race." Each Scout picks the name of a famous explorer and then, as Drake, Cabrillo or Fremont, he charts his ticket sales progress on a large map of San Francisco.

At various stops along the route, he earns special prizes ranging from a segment patch for his unit form to a complete first aid kit. If he sells more tickets than any other boy in his Pack, Troop, or Post, he wins a trophy. If he's first or second ranking ticket salesman in his Scout District, he wins a portable radio or a share of stock.

And if he's the top salesman in the San Francisco Council, he'll be the proud owner of a new RCA 21-inch color television set. Runner-up in the Council gets a portable G. E. television set, and the third place winner, a Schwinn bicycle.

Tickets are \$1 for adults. Children under 16 are admitted to the Exposition free when accompanied by an adult.

In addition to selling tickets to their show, the Scouts are busy working on the displays of Scouting skills, sports, and games they will demonstrate in more than 300 booth exhibits covering the Cow Palace arena and the new exhibit hall at the Exposition.

PROTECT THE WINDSHIELD

When garaging the car, after driving in the rain, be sure to turn off the windshield wipers if they are running when the engine is switched off. The reason for this, says the California State Automobile Association, is to prevent the wiper blades from sweeping across a dry, dirty windshield when the engine is started again, and thus scratching the glass.

Portola Hands BYA First League Defeat

The Broadmoor Youth association suffered its first defeat in three starts at the hands of the Portola Cubs, 6-2, Saturday in a Junior Managers' 'D' league game at Portola playground.

Winning pitcher John Rapp limited the Broadmoor club to four hits—singles by Jim Heick, Dixie Howell, Dick Reese and Bill Hix.

The Broadmoor 'D' leaguers came back Sunday to take a 6-0 decision from Dee's Associated in a practice game at the 12 Mile House diamond. Bob Goodwin and lefty Terry Christian shut out the south city club.

Christman, Bill Dougherty, Hank Dykes, Don Harris and Art Banos banded out hits for BYA.

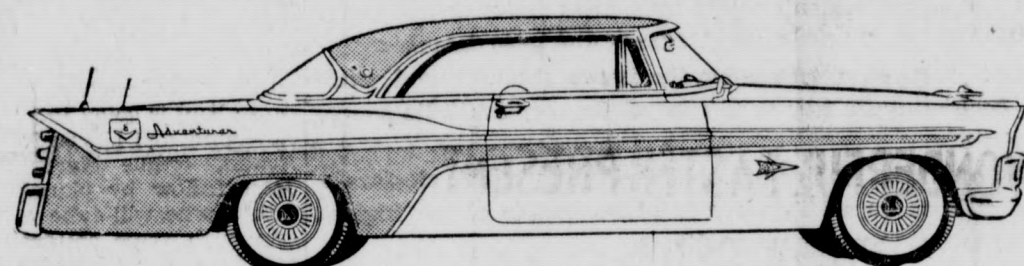

BYA meets the Pacific Heights A. C. Saturday, 10 a.m., at Rossi playground.

Miss Baldetti Is Honored At Bridal Shower

Miss Roberta Baldetti, 257 Parkview avenue, was honored recently at a bridal shower celebrating her forthcoming marriage to Robert Stone.

Hostesses were her aunt, Mrs. Mary Puccini; her sister, Miss Marie Baldetti; and Mrs. Pauline Holmes. The event was given at the Puccini residence, 210 Willis street.

About 55 guests attended. Unique decor featured a spring wedding theme and included bride and attendant dolls dressed in copies of the actual gowns planned for Miss Baldetti's wedding.

Among those invited to attend the shower were Miss Baldetti's attendants for the April 29 nuptials. They are Miss Marie Baldetti, maid of honor; Mrs. Sophie Stowe, Miss Emily Guido and Miss Carol Bertelli, bridesmaids, and Miss Diana Puccini, junior bridesmaid.

JUST MARRIED—Mr. and Mrs. Joe Cutietta (the former Betty Curtin) leave for their wedding reception following recent rites at Our Lady of Perpetual Help church. The bride is the daughter of Mr. and Mrs. Tim Curtin

of 91 Shakespeare street, while her husband is the son of Mr. and Mrs. Joe Cutietta of San Francisco. The young couple are now making their home in San Francisco.

CUTIETTA - CURTIN RITES HELD HERE

Miss Betty Curtin became Mrs. Joe Cutietta at recent rites at Our Lady of Perpetual Help church performed by Reverend Father Norman Allan. After honeymooning in Carmel, the young couple returned to make their home in San Francisco.

The bride, daughter of Mr. and Mrs. Tim Curtin of 91 Shakespeare street, is a graduate of the Immaculate Conception academy in San Francisco. Her husband, son of Mr. and Mrs. Joe Cutietta of San Francisco, is a graduate of Balboa High school. He is now employed by the Continental Building Products company.

For her wedding, the bride wore a white gown fashioned with a fitted lace bodice and a floor-length skirt of net over taffeta. The long sleeves were of lace, and the collar was fashioned in a Peter Pan style.

Her full-length veil was fastened to a crown of lace and pearls, and she carried a bouquet of bouvardia with an orchid in the center.

Mrs. Kathleen O'Leary served as her sister's matron of honor, while bridesmaids were the Misses Connie Cutietta and Edna Bergland.

All three of the attendants wore ruby red crystal dresses with full ballerina length skirts. Accessories were of a matching shade, and bouquets were fashioned of white carnations and red streamers to carry out a Valentine theme.

Performing best man duties for his brother was Richard Cutietta. Ushers were Timmy Curtin and Pat O'Leary.

Mrs. Curtin chose a white faille dress and a black Persian lamb jacket for her daughter's wedding. Orchid accessories complimented her ensemble.

Mother of the groom, Mrs. Cutietta, wore a mauve crepe gown which featured a lace skirt. Her accessories were of a matching shade, and her jacket was also of black Persian lamb.

About 250 guests attended the reception at Eagles' hall where they danced to music by Eddie Garcia and his combo. Featured vocalist was Rudy Giannini.

Leaving the reception, the bride wore a Chinese-style yellow print silk sheath dress. Her beige linen duster was lined in the same Chinese print. Black patent leather accessories and a black straw hat complimented the costume.

Special guests at the wedding were Tim Curtin and family of San Francisco, Frank Civiello and Peter Carollo families of Fresno, Manuel Mallo family of San Francisco, Harry Minton family of Hillsborough, the Pat O'Learys of Washington, Mr. and Mrs. John T. Murphy of Colma, and Mrs. and Mrs. Colombo of San Francisco.

POLICE SERGEANT AIDS THAT BIRD FOR 14TH TIME

Sergeant Dean Wood of the Daly City police department chalked up his 14th assist in delivering a baby early Wednesday morning.

Police were called at 3:45 a.m. by a friend of Mrs. Maria Louisa Perla who the friend said needed help "fast." Responding to 490 Price street, Sergeant Wood found Mrs. Perla and a baby daughter in the hallway.

The sergeant bundled the mother and baby into an ambulance and rushed them to Junipero Serra hospital. They were later transferred to French hospital where attendants report both in good condition.

Custodian Switches Plea To Guilty In Municipal Court

Walter Spencer, custodian, of 351 Rhine street, changed his plea to guilty on a charge of disturbing the peace in municipal court this Thursday. Assault and battery count filed against him by John Teahan, 58 Bepler street, was dropped at the request of the district attorney.

Judge Thomas L. Bocci sentenced Spencer to 20 days in the county jail or a fine of \$100. He was granted a 10-day stay of execution.

Spencer was arrested February 19 after a fracas at a local tavern. In other action at municipal court this week:

1. Earl W. Alling, 579 O'Farrell street, San Francisco, was sentenced to five days in jail or a fine of \$50 on charges of being drunk and disturbing the peace here March 14.

2. George Linehan, 1208 Crestwood drive, South San Francisco, was sentenced to five days in jail or a fine of \$35 on a charge of being drunk in and about an auto at Hillcrest and Mission streets March 10.

3. Jack Russell Lehnus, 73 Rome street, San Francisco, entered a guilty plea to a charge of drunk driving here on March 13. He was sentenced to 30 days in jail or a fine of \$150. The court did not recommend license suspension.

4. Leo J. Smith, 1431 - 20th avenue, San Francisco, was sentenced to 30 days in jail or a fine of \$150 on a charge of being drunk in an auto here.

5. James Pierpont Morgan, 6828 Mission street, paid a fine of \$50 on a charge of being drunk in a car here on March 13.

6. Patrick Tobin, 1324 Norfolk street, San Mateo, was given 30 days or \$150 on a charge of drunk driving here March 4. The court did not recommend license suspension.

7. Eugene Paul Anderson, 13, 123 Amapola, Vallejo, was sentenced to 30 days or \$250 on a charge of car boosting here. He was placed on a year's probation.

Mrs. Thompson's passenger, Mary A. Duryea, of 1439 27th avenue, San Francisco, was cited for lending her driver's license to another person.

Birthday Club Remembers Often Forgotten Mothers

Editor's note: This is the eighteenth of a series of articles on local women's organizations. THE RECORD will feature one of the groups listed in our files each week.

The twelve members of the Birthday club each represent a month of the year. Meetings are held the second Tuesday of each month at which time the member whose birthday falls during that month is honored with a party.

Mesdames Jackie Castle, Ella Sontag and Eleanor Doyle founded the group on May 17, 1954, with the idea that mothers' birthdays are all too often forgotten in these days.

A year and half's work went into tracing women with birthdays representing each month. At the present time, however, the organization has a waiting list on file, and if a member should drop from the group, another woman with a corresponding birthdate is asked to join.

Lone officer is the secretary-treasurer whose duty it is to collect dues to be used at the May meeting at which time the club celebrates its founding. This year the women will enjoy a May luncheon at the Brentwood lodge.

Mrs. Doyle is the present secretary-treasurer with a new official to be elected in May.

Hostess duties are rotated by the members. Besides deluging every woman with birthday gifts, each member has a secret pal to whom she reveals her identity at Christmas time with a present.

Members are Mesdames: Bernice Thorpe, Florence Burger, June Gaviglio, Barbara Baughn, Dorothy Knox, Billie Glicks, Connie Nofziger, Ella Sontag, Gerry Burger, Lee Leshner, Jackie Castle and Eleanor Doyle.

General Pershing

Mrs. Farmer - Third Grade
Our class has decided to find out all about birds in our area. We have made booklets with pictures and stories about birds. They are very colorful and help us in our science class.

Peter Boyle has been absent because of illness. We hope he is back soon.

We were sorry to lose two of our boys, Donald Khinoo and Robert Endres, but we are happy to have a new girl Cynthia Barsanti.

We are excited about plans to visit the San Francisco Maritime Museum in April. They have an old ship, the Balclutha, that we are anxious to see. This ship made many trips around Cape Horn with cargo for San Francisco.

Mrs. Hawkins - Fourth Grade
The fourth grade at General Pershing School has begun its new unit on modern California. We are interested in learning all about our wonderful state. We are planning trips and projects to find out as much as we can about California.

Our next trip will be taken in May when we visit Golden Gate Park.

Car Driven By SSF Woman Knocks Down Mission Street Signal

A South San Francisco woman was cited on three counts early Sunday morning after police said her auto knocked down a signal pole on the traffic island at Mission street and San Pedro road.

Officers found the woman in a damaged car parked near the scene of the accident, they said. When they asked for her license, she handed over the driver's license of a woman companion, they claim.

Cited for driving without a license, for displaying a license other than her own and for speeding was Patricia Thompson, 31, of 37, Elkwood drive, South San Francisco.

Mrs. Thompson's passenger, Mary A. Duryea, of 1439 27th avenue, San Francisco, was cited for lending her driver's license to another person.

Alma Garibaldi

Mrs. Alma Garibaldi, 44, died last Saturday, apparently of a heart attack, while watching television at her home at County and Market streets.

She was the wife of Frank P. Garibaldi, owner of Garden Valley Nursery. Mrs. Garibaldi was a native of Seattle, Wash., and had lived in Colma for 21 years.

Survivors, in addition to her husband, include two children, Carol Gay Garibaldi and Richard F. Garibaldi, both at home, and two sisters, Irene Basagno and Juanita Daniel, both of Seattle.

Funeral services were held Wednesday from W. C. Lasswell company, and burial was at Cypress Lawn Memorial park.

Walter F. Dorn

Walter F. Dorn, charter member and past commander of Old Glory Post No. 2044, Veterans of Foreign Wars of Daly City, died Saturday in Mountain View. He was 67 years old.

Dorn, a native of Illinois, who fought with the 4th Division in World War I, was part of the Culberg and Dorn firm of printing press mechanics in San Francisco for years.

He had resided here at 2 Diesel street for 25 years. Ill health forced him to retire seven years ago, his partner buying his business interest. Four years ago Mr. and Mrs. Dorn moved to 898 Terra Bella avenue, Mountain View.

Besides his widow, Ethel, Dorn is survived by one brother, William J. Dorn of Fresno.

Gen. Jacob H. Smith, of Post No. 83, VFW, conducted services for Old Glory Post Monday night at the W. C. Lasswell mortuary. Funeral services were held Tuesday from the Lasswell mortuary, an inurnment was at Mt. Olivet cemetery. Tributes may be sent to the American Cancer Society.

Hugh C. Rodgers

Hugh C. Rodgers, 80, a native of California and for many years a resident of Colma, died here Monday. He was a member of Vista Grande Aerie of Eagles, and a retired bartender from San Mateo local 340.

He is survived by a brother, Eugene Rodgers, and nieces, Mrs. Rose McDewitt, Mrs. Grace Rice

De Molays Plan Easter Program At Shriner's Hospital

Sixty little patients of the Shriners' hospital for Crippled Children are looking forward to the annual Easter morning party planned for them, according to Miss Margaret Peck, superintendent of the hospital.

The entertainment program, sponsored each year by Islam chapter, Order of De Molay, will start at 10 a.m. in the hospital open air playground. Costumed bunnies, clown skits and acts of magic with dancing kiddies will all help to make the children's Easter more cheerful. Special sound equipment donated by Les Vogel will carry the program to the far away beds in the hospital for children who will be unable to be moved near the windows.

After the variety program, the De Molays headed by Don Baumann, master counselor of the chapter, will visit each child in the wards. Here an Easter basket of candy and a game will be presented to each youngster.

George Bowman, past potentate of Islam Shrine Temple and treasurer of the hospital, will address the De Molays at the conclusion of the ceremonies.

and Mrs. Alice Volkman. Funeral services were held Thursday from the W. C. Lasswell company mortuary. Interment was in Holy Cross cemetery.

Something For Everyone

News of Your Local Library

By the Staff of the Daily City Library

National Hobby Month in April will focus nation-wide attention on the importance of hobbies and the well-directed use of leisure time. Doctors now recommend a good and relaxing hobby to jolt their patients out of the blue, and the Daily City Public Library has certainly had an increase in the number of calls for books on leisure time activities.

The Hobby Guild of America, sponsor of National Hobby Month, has divided the observance into four special weeks.

Arts, Crafts Week

The first week, April 1-7, is National Arts and Crafts Week. Many new books have been added to the library in this subject field in recent months. They include "Hobbycraft for Everybody," by Glenn A. Wagner, which covers everything from making birdhouses to short-wave receivers; "The Art and Craft of Hand Weaving," by Lili Blumenau, which contains many interesting and practical patterns, as well as instructions on hand weaving; "Rug Hooking Made Easy," by Charlotte Kimball Stratton; "Enameling for Fun and Profit," by Mary Larom, which tells how to make the popular new enamel-on-copper jewelry; "Jewelry Making for Fun and Profit," by Helen Clegg, which covers a greater variety of materials; "Pottery Made Easy," by John Wolfe Dougherty, a classic in its field; "Creative Ceramics," by Katherine Morris Lester; "Block Prints: How To Make Them," by William S. Rice, and "The Joy of Painting," by Arthur Zaidenberg.

Model Building

April 8-15 is National Model Building Week. Books available at the library include "Model Jets and Rockets for Boys," by Raymond F. Yates; "Boats, Airplanes, and Kites," by Armand J. LaBerge; "The Model Aircraft Handbook," by William Winter; and "How To Improve Your Model Railroad," by Raymond F. Yates. National Do-It-Yourself Week is planned for April 16-23. There are many books for do-it-yourselfers at the Daily City Library.

Photo Week

The last week, April 24-30, is National Photograph Week. This ever-popular hobby is represented by many books at the library. Two of the finest are Andreas Feininger's "Successful Photography" and his "Successful Color Photography." A. A. Knopf has an excellent little book, "Secrets of Taking Good Pictures," which will appeal to those who lack the background and technical knowledge to use Feininger's books to best advantage. Photography enthusiasts will be glad to know that the library now subscribes to the monthly magazine Popular Photography, which may be borrowed for home use. And they won't want to miss the fabulously beautiful new compilation of Werner Bischof's photographs of Japan. It is difficult to say whether Bischof's color work or his black-and-white pictures are the best.

For information about these and other books, or to reserve any book, call Plaza 5-0850, or come to the Daily City Public Library, 6351 Mission street. Remember, your Public Library has something for everyone!

HONOR DEN MOTHER OF YEAR IN MAY

Lake Merced Boy Scout district's "Den Mother of the Year" will be chosen in May and honored in connection with Mothers Day, May 13, according to an announcement made today.

Den mothers, who conduct and organize meetings for Cub Scout units, are a "highly important part of Scouting," the district committee said.

Honors as the top den mother will go to the woman who has served the most consecutive years in that capacity.

She will be feted at the district committee meeting during May, and will be awarded candy and flowers.

Dan Andersen of Daly City heads the committee which will make the selection.

The Lake Merced district includes Westlake-Daly City area and southerly San Francisco.

among them "Landscaping Your Own Home," by Alice L. Duxant; "Simplified Masonry Planning and Building," by J. Ralph Dalzell; "Make Your Own Modern Furniture," by Norman Cherner; "New Methods for Home Repair and Improvement," by Raymond F. Yates; "Home Mechanic's Outdoor Handbook," by Reginald R. Hawkins; and Charles H. Abbe; and "Easy-To-Make Slip Covers," by Herbert Bast.

Commit DC Man, 62, To Hospital After Cops Say He Beat Mother

Dean Francis O'Connor, whose police record is almost as long as his 62 years, was committed Tuesday to Agnews state hospital by his mother, Mrs. Margaret Von Hirsch, 226 Evergreen avenue.

O'Connor's mother signed the commitment papers after her son allegedly struck her in an attempt to gain money for liquor Saturday afternoon, police said. Mrs. Von Hirsch is in her 90's, according to officers.

Neighbors called police at 1:45 a.m. Saturday with the complaint that O'Connor was beating his mother. Officers John Coleman and Art Linehars responded to and Mrs. Von Hirsch locked in her room. The officers said that her face was red and swollen when she answered the door.

O'Connor was taken to the city charges of disturbing the peace and being drunk.

Commitment papers were signed Tuesday by Judge Aylett Cotton of superior court.

Hear that Carol Freeland, formerly with the DALY CITY HARDWARE and a customer favorite there, is now working in the new PENNEY'S STORE in Westlake. "Darling dusters," she says, "and dresses for as little as \$2.79." Carol is downstairs in the women's wear.

Hard to beat for an economical and delicious dessert: Those half gallon packages of RELISH BAKERY ice cream for just \$1.00.

Told Hal Willis, owner of the DALY CITY CLEANERS, that a shop on San Jose avenue in S. F. had the same "In at 10:30 dirty—out at 2:30 CLEAN" sign and he laughed and laughed! Seems that the ditto shop belongs to him and the duplication is all on the up and up!

YOUTHS CAUGHT ON RETURNING TO STOLEN AUTO

Two Westlake teenagers were picked up by police early Tuesday morning when the pair re-

turned to a car they had stolen two days earlier from Parkmerced. Officers said the youths, aged 14 and 15, had parked the auto in a Crestwood avenue car port after first switching license plates. Finding the stolen car but not the culprits, Sergeant Dave Hansen and Officer James Bergstrom stalked out the car port until the boys' arrival at 8 a.m. Tuesday.

WHAT'S DOING

There's no extra charge for repairs

Stop and think about it for a moment. There is a guarantee on one of the conveniences in your home that isn't just for 90 days, or only one year, or 10 or 20 years. It's the guarantee that your telephone will be repaired or replaced whenever necessary and with no extra charge to you. It's a guarantee that never runs out. It's good for as long as you have a telephone. And it means service that's always dependable. The men and women of Pacific Telephone work to make your telephone more useful every day.

Something to remember when you're planning to build or remodel

Everett Jr. High School Exhibits Bell's Telephone Invention

Mr. L. Hawkinson, Principal, and Mrs. M. O'Donohue, Librarian of Everett Jr. High discussed with Telephone Co. Manager, Mrs. W. Swearingen, the exhibit of Alexander Graham Bell invention of the telephone.

The exhibit currently on display in the library at Everett Jr. High is aimed at bringing a new interest to the student body in the field of science and biographies of great men. Alexander Graham Bell's interest in speech and the nature of sound led him to investigate the possibility of transmitting sound over telegraph wires. On June 2, 1875, while experimenting with telegraph instruments in an effort to develop harmonic telegraph, Bell discovered that sound could be transmitted by electricity. He knew then, he could transmit the human voice. The first telephone instrument, as shown in the exhibit, was built and on March 10, 1876 the first sentence was spoken.

Five Area Residents Cited As Litterbugs

Five local residents were cited for dumping garbage and rubbish along county roads Saturday and Sunday after sheriff Earl Whitmore ordered a weekend crack down on litterbugs in the north county.

Among the four people cited Saturday by Deputy John Kemp, and ordered to appear in northern district municipal court this morning (Thursday) at 10 a.m. were Eugene J. Snow, 148 Abbot avenue, Daly City, and Yvonne Morris, 1120 Rosita avenue, Pedro Valley. The violations occurred on Skyline boulevard, Coast highway and Edgemar road.

Cited Sunday by deputy Charles Van Fleet, and ordered to appear in municipal court at 10 a.m. April 10 were Ralph H. Quist, 120 Shell street, Sharp Park; Joseph L. Gerber, 83 Lakemeadow drive, Daly City; and Chris Ellis, 106 Westdale avenue, Daly City.

Van Fleet issued the citations on Edgemar road, about a mile west of Skyline. Five others also were cited at this location.

Whitmore said he ordered his deputies to keep a special watch on complaints from the county

Cops Cite SF Housewife in Intersection Mishap

A San Francisco housewife was cited for making an illegal left turn Sunday night after her auto collided with another car at Sky-

line and Alemany boulevard.

Cited was Mrs. Mary C. O'Hare, 56, of 2327 30th avenue, San Francisco, whom police said made a left turn onto Skyline and was hit by a car coming in the opposite direction. Other driver was Evelyn P. Walsh, 48, a waitress of 38 Stoneyford drive, San Francisco.

ATTENTION DALY CITY RESIDENTS!

ACT NOW FOR MORE AND BETTER TAXICAB SERVICE

THESE ARE THE FACTS:

The steady growth of the population in Daly City, especially in the Westlake area, demands that immediate action be taken to increase taxicab service for its residents. Do you know that there are presently only five (5) taxicabs operating in Daly City to service the needs of approximately 30,000 people? THIS MEANS ONE TAXICAB FOR EVERY 6000 PERSONS!! Compare the service you are now getting with that of your neighbors and you'll agree with us that a vital public need exists for more taxicabs. Read these statistics:

City	Number of Taxicabs	Approximate Population	Ratio
San Francisco	681	830,000	1 to 1219
Redwood City	22	39,000	1 to 1773
San Carlos	6	18,000	1 to 3000
San Bruno	7	18,500	1 to 2643
So. San Francisco	8	29,000	1 to 3625
Millbrae	3	11,000	1 to 3667
Burlingame	10	22,000	1 to 2200
San Mateo	22	60,423	1 to 2746
DALY CITY	5	30,000	1 to 6000

This Is What Westlake Taxi Co. proposes to do about it:

George Mountanos, a local resident of Daly City, has filed with the City Council an application for a permit to operate five (5) additional taxicabs in Daly City to be known as the "WESTLAKE TAXI CO." with headquarters and cab stand at 189 Southgate avenue. These will be brand new 1956 Radio-dispatched Plymouth sedans operating 24 hours a day and 7 days a week for your comfort, safety and better service! There will be script book rates for school children and NO SURCHARGE for fares anywhere in San Francisco or San Mateo Counties. Hearings have been had on his application and the decision of the City Council is now pending.

Another well known San Francisco Taxicab company has filed its application for a similar permit, but this organization is so large that it can not offer the personal service of a local cab company operating and existing for the benefit of Daly City residents. This company proposes to drop its \$1.00 surcharge for fares between San Francisco and Daly City but NOT for fares to other cities within our county! It CANNOT offer script book rates for school children. It CANNOT deviate from long established policies in effect in other cities. It CANNOT change its policies to fit the changing needs of our residents as a local service can easily do.

This Is What YOU Can Do About It:

Write the City Council without delay! Tell them how you feel about the need for more taxicabs in Daly City. Express your sentiments about issuing the permit to a resident of Daly City who can give you better personal service. Tell them you want the "Westlake Taxi Co." operating in your area. DO IT NOW!

Jefferson Spikemen Sweep Carlmont Meet; Top NPAL

Jefferson high school's powerful track squad continued to roll over its opposition Friday as it swept to victory in all three divisions against Carlmont on the losers' field.

The varsity spikemen chalked up ten first places in winning, 85-28, while the thirties prevailed, 63-49, and the twenties swept every event in winning, 55-2/3-12 1/3.

Highlight of the Indian varsity win was the 11' 8" pole vault by Allan Arneson, which broke the old school record by five inches.

Jerry Howard broadjumped 20' 3 1/2", the best mark of the NPAL season, and took a second in the 100 to help Jeff to its fourth straight varsity win without a loss. The three wins put the Indians in first place in each division with 2-0 league marks.

Jim Farley was the varsity's only double winner. The Indian weightman put the shot 45' 5 1/2", and heaved the discus 117 feet.

Other varsity winners were Lowell Klaisner, 10.5 in the century; Ron O'Rourke, 23.3 in the 220; Jim Honeywell, 52 flat 440; Bill Curtis, 5' 8" high jump; Grasso, 2:03.7 half mile; and the Indian relay team, which was clocked in 1:33.3.

Double winners Sonny Martinez and Bruce Lavazzano paced the Indians to triumph in the '30s division. Martinez turned in a 16.1 150 and a 37.4 330. His 330 clocking was the best recorded in the NPAL this season. Lavazzano won the high hurdles in 10.6 and tied for first in the pole vault at 8'6".

Other thirties winners were Al Davila, 1:32.6 in the 660; Niel Dunford, 99' 1/2" in the discus; Rosenberg, 8.4 in the 75-yd. dash; and the Jeff relay team, 47.7.

Martinez also holds the best NPAL mark in the 150 with a 15.5 clocking, while teammate Ron Molina's 10.1 is the best '30s high hurdles time.

Andy Scalse won the 150 in 17.7 and tied for first in the 75 at 9 flat to pace the twenties' victory. Other winners were Dave Dunbar, 41.6 330; Harvey Marston, 18-1 broad jump; Gustafson, 16.2 lows; Deal, five foot high jump; Dean 36-3 shot; and the relay team, 50.2.

Dunbar holds the season's best 330 clocking, 40.8, while Marston's low hurdles time of 15.3 and his broadjump mark of 18' 1 1/2" are also tops.

Coach Ernie Ribera's spikemen are idle until April 6 when they travel to San Mateo for a clash with the Bearcats, whose varsity is deadlocked with the Jeffs for first place. Four San Mateos hold top NPAL marks in the varsity class.

CUB PACK 63 DROPS CLOSE DIAMOND TILT
Cub Pack 37 turned back Cub Pack 63 of Daly City, 9-8, in a baseball contest held Sunday.

Final inning scores by Pack 37 gave them the victory. Outstanding for Pack 63 were Danny Dempsey, David Westphal, John Kerekes and Jimmy Fife.

Parents attended the contest to cheer the Cubs on. Next contest for Pack 63 will be Saturday at West Sunset, starting at 2 p.m.

Adult Swimming Classes Begin Wednesday Night

Adult swimming classes for beginners, intermediates and swimmers will begin Wednesday night in the Jefferson high school pool. Applications will be accepted at the pool Wednesday.

The fee is \$3 for five one-hour lessons. The lessons will be given Wednesday and the next four Wednesday nights from 6:30-7:30 o'clock.

Suits and towels will be supplied for the lessons, and Red Cross life savers and instructors will be on hand. Director Mike Orlich urges all adults in the area who don't know how to swim to take advantage of these lessons.

Two Local Men Enrolled In Hale And Hearty Club

Two Daly City residents were enrolled in the newly created Hale and Hearty club of the Oakland Army terminal Wednesday. The club was created to recognize employees who have accumulated at least 1000 hours of sick leave credits.

The Daly City members are Joseph Goldberg, 613 Stoneyford drive, and Martin Finnerty, 116 Lake Vista avenue.

Honeywell Selected For All-Star Clash

Jim Honeywell, Jefferson high school's quarterback and PAL Player of the Year, has been selected to play for the West All-stars in the 20-30 club's East-West all-star football game Friday night, Aug. 24, at San Francisco's Kezar stadium.

Center Don Wiesner, guard Bob Grubb and end Ted Amirkhan, nominated along with Honeywell as candidates for the game, were selected as alternates. They will play if any of the selectees are forced to miss the game.

The 6-1, 190-pound Honeywell was easily the league's outstanding player last season. He led the PAL in total offense with 1331 yards and in scoring with 84 points. He was second in passing with 63 completions in 98 attempts for 741 yards, and was third in rushing with 590 net yards in 119 attempts for an average on five yards per carry.

Honeywell, who currently holds the best 440 time recorded in the NPAL this season, is exceptionally fast, and is an outstanding defensive player as well.

Fresh-Soph Drop Close Come To San Mateo Nine

The Jefferson frosh-soph nine dropped a 3-2 decision to San Mateo last Thursday on the Indian diamond for its first league loss of the season. The frosh-soph now has a 1-1 league mark, and 7-4-1 season mark.

Gary Ryan gave up six hits in losing the close contest. Jefferson took a one-run lead in the first

Victory Puts Indians In First Place Tie

The varsity swimmers of Jefferson high school pulled into a first place tie with Burlingame in NPAL standings last Thursday with a 44-33 win over Capuchino in the losers' pool. It was the third straight league win for the Indians.

The Indians made it a clean sweep as the thirties took a 38-29 decision and the twenties came out on top, 30-20.

Jefferson grabbed five first places in the varsity meet, but it was seconds and thirds that gave the Indians the win.

Ray Lippert took the 100 backstroke in 1:10.9, Bill DeLucchi churned the 100 breaststroke in 1:21.1, Jim Giblin won the individual medley in 2:00.3, Jack Green took diving honors, and the Jeff medley relay team provided the Indian firsts.

Jefferson depth proved the difference in the '30s class also, as the Jeffs were able to grab only four first places.

Dick Raser paced the thirties with wins in the individual medley and 100 breaststroke. His times were 48.8 and 1:16 respectively. Other winners were Marshall in diving and the medley relay team which was clocked in 1:07.8.

Twenties winners were Tafaya, 30.5 in the 50 free; Erickson, 37.6 in the 50 back; Currie, 40.2 in the 50 breast; and the four-man relay team, 56.6.

The Indians climb back into the tank after a two-week lay-off when they journey to Hillsdale next Thursday for an NPAL meet.

inning, but saw it disappear in the fourth and fifth innings. Ryan got one of the five Jeff hits.

The Indians take on St. Ignatius Tuesday and Balboa Thursday in a pair of non-league games next week. Both games start at 3:30 p.m. on the Jeff diamond.

DC JUNIORS BLAST 25 HITS IN 28-5 VICTORY SATURDAY

Everybody got into the hitting act for Daly City Juniors Saturday as they avenged St. Stephen's, 28-5, with a 25-hit attack.

Bill Ludwigen was the winning pitcher, working four innings without allowing a hit or run. Jim Hennessey replaced him, giving up three hits, five runs.

Every Daly City player hit safely. George Claus led the barrage with five hits, including three doubles. Barry Krohn pasted a homer and a triple, and Vic Kulik and Mike Rovai each got three for three.

Rich Morales was the Juniors' fielding standout.

This Saturday the locals meet St. Brennan's at Balboa, starting at noon.

Five Indian Golfers In N. Calif. Tourney

All five Jefferson high school golfers who qualified for the northern California junior championships at Lake Merced won first round matches this week, but two bowed out in the quarterfinals.

Al Harris led the Indian qualifiers Monday with an 84, which placed him in the championship flight. After winning his first round match, he was defeated in the quarterfinals.

Wayne Guisti, whose 85 put him in the first flight, suffered the same fate as Harris after winning his first match.

Jim Giblin, in the second flight with an 88; Stan Weld, fourth flight, 91; and Steve Opperman, fifth flight, 94, all qualified for the quarterfinals with first round wins. Quarterfinal matches in these flights were played after THE RECORD went to press.

The Indians' six-game win

INDIANS DROP EAGLES TWICE; SNAP THREE GAME LOSS SKEIN

The Jefferson high school varsity nine, its six-game win streak in shambles, got back on the winning side of the ledger Wednesday with a pair of victories over Washington at San Francisco.

The Indians, still on top of the NPAL with a 2-0 league mark, travel to Hillsdale Tuesday for a league clash.

Ed Leveroni and Barrie Haanan teamed up to give the Jeffs 5-3 and 6-2 wins over Washington, snapping a three-game losing streak and giving the Indians an overall 9-5 season mark.

Bill Strassburger's grand slam homer in the bottom of the seventh inning gave the Indians the second game against the Eagles. They trailed, 1-2, going into the seventh.

Haanan led off with a single and was sacrificed to second. Ron Cryer singled and Ino Patron did likewise, sending Haanan home. Bob Bailey was intentionally passed to fill the bases and set up Strassburger's blow, his first homer of the year.

Haanan, in his first pitching assignment of the season, went the distance and gave up nine hits. He struck out three and showed good control in walking only one.

Jefferson banged out nine hits in winning its third straight over Washington. Del Scott got two hits, but Strassburger banged out three in four trips. Coupled with two for two in the first game, Strassburger's average is well over .400, best on the team.

Jeff got two runs in the first frame of the opener and led all the way for the victory. In addition to Strassburger, Ray Vuillemain and Ino Patron each collected two singles. Leveroni gave up eight hits, struck out nine and walked one.

The Indians' six-game win

streak was rudely jolted by underdog Carlmont, 9-4, in the first round of the South San Francisco invitational baseball tourney last Thursday.

Two run doubles by Vuillemainroy the winning pitcher, and Bailey paced the Jeffs to an 8-2 victory over St. Ignatius in the first round of the consolation bracket Friday. Jefferson wrapped the game up in the sixth when two errors and singles by Vuillemainroy, Strassburger and Leroy Franzoia produced three runs.

The Jeffs started a three game losing streak by dropping the consolation final, 6-1, to Serra Saturday.

Six big runs by St. Ignatius in the first extra inning gave the Wildcats a 14-9 win over Jefferson Monday. Behind all the way, the Jeffs finally tied up the game in the bottom of the seventh on Strassburger's triple and Bailey's squeeze bunt, only to see the Wildcats pour it on in the eighth.

Trailing 8-2, the Indians came to life with five runs in the sixth inning, highlighted by Tom Cloutier's three run homer, which traveled a good 400 feet.

Strassburger walked to lead off the frame, and then singles by Bailey and Mike Wedlake scored a run and set up Cloutier's blow. Two more singles and a walk set up a score on a double play.

After jumping off to a 2-0 lead, the Indians were swamped by San Francisco State's J. V.s, 13-3, to end a long and dismal week, tempered somewhat by the Washington victories.

Tex Prentice was the loser, giving up four runs in the third and nine in the fourth. He allowed 13 hits in the four innings he worked. Vuillemainroy was the losing pitcher in Monday's game, giving up 16 hits, walking seven and

Vince & Fred Takes DC Bowling Crown

Vince & Fred's won the Dal City-Colma bowling league championship Tuesday night, although it dropped two out of three game to Brentwood Lodge.

With a chance to sneak in with the title, Westlake Homes dropped three games to Paul's Flowers. Sa Pedro Lunch grabbed third place with a pair of wins over Luc Meat.

Vince & Fred's record is 531 wins, 27 1/2 losses in the final standings. Westlake Homes ended up with a 51-30 record, while Sa Pedro had 48-32. The league will hold its sweepstakes Tuesday at the Brentwood Bowl.

Babe DeLucchi paced the V& win with a 573 series. Drigiazzi rolled a 224 game and 560 series for the losers.

A big 602 series by Rotchett gave Paul's its sweep over Westlake. Schramm's 580 series was high for Sa Pedro in its pair of wins. Tony Barsuglia rolled 545 series for the losing Luce Meat.

In other games Carlos Pizzetti took two of three from Thur Mead behind Boidaoido's 538 series, and Daly City Cleaners swept three games from Starway Cocktails.

whiffing five.

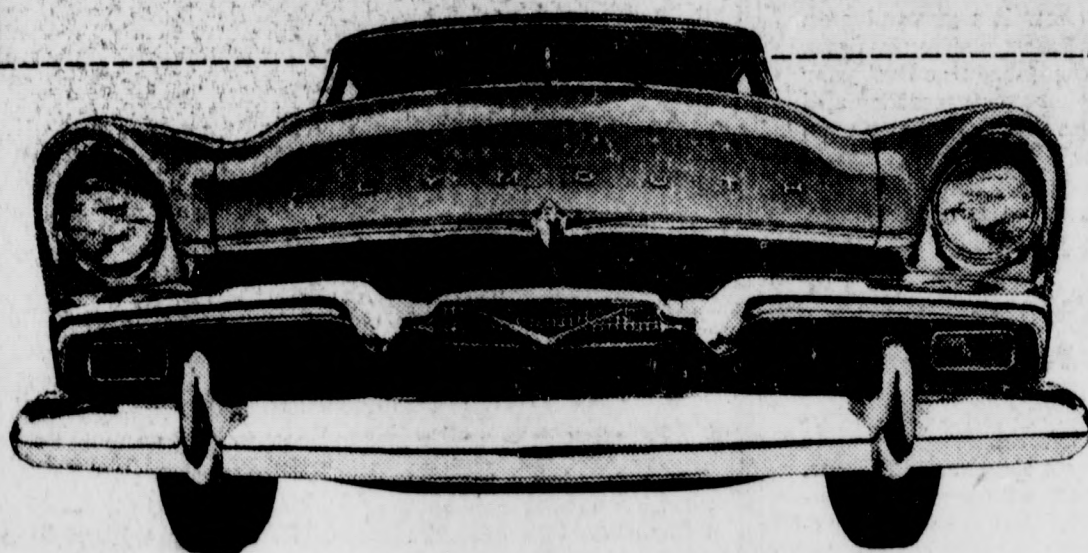

After Tuesday's clash with Hillsdale, Jefferson meets San Leandro Wednesday at San Leandro and returns home Friday for game with Capuchino, currently tied with the Jeffs for the NPA lead.

St. Martin Children To Celebrate Easter

Children of St. Martin's Episcopal church, 94 Palmdale avenue, will celebrate Easter in the ceremonial formation of a cross of lilies to add to the chapel decorations.

At the 9:30 a.m. family service, each child in procession will present his "mite-box," containing an offering made through Lenten self-denial, and place a lily in the floral cross. Adult and junior choirs will both attend; the Easter anthem "King All Glorious" will be sung at this service and at 11 a.m. holy communion.

Celebration of holy communion will also be held at 8 a.m. by the Rev. Canon Edward B. Ferguson, priest-in-charge. George A. Ritter, 53 Cliffside drive, organist, will play an organ prelude at 11 a.m. and the musical communion service will include familiar Easter hymns as well as choral canticles and responses.

Mrs. Reuben H. Hunt, 11 Lake Meadow drive, heads the altar guild members beautifying the chapel with lilies and palms for the festival. Among those assisting will be Mrs. Gordon P. Andrews, 75 Fairway drive, Mrs. Robert Abbott, 75 Ocean Grove avenue, who also directs the children's choir, and Mrs. Walter F. Michels, 65 Westfield avenue.

All Westlake residents are cordially invited to make Easter more meaningful through attendance at the three services in this conveniently located neighborhood church. Good Friday watch service will also be held from 12 to 3 p.m., with readings on the seven last words of Christ by Canon Ferguson. Entrance and exit may be made at any time during this period. Further information on the church and its activities may be obtained from Mrs. U. R. Kendree, 85 Montrose avenue, PL 5-8680.

Church Official Will Talk At Easter Service

Rev. Kenneth M. Haystead, assistant superintendent of the northern California and Nevada district, will speak at Easter services, 11 a.m. and 2:30 p.m., at the First Assembly of God church, Evergreen and Hanover streets.

The "King's Messengers," male quartet from Bethany Bible college, and gospel singer Dewey Powell will present a program.

A missionary rally will be held Sunday evening at 7:30 o'clock. Rev. George Effman will speak and show on-the-spot missionary films.

Reverends Edwin Cole and Donald Wertz will speak at the Saturday evening service at 7:30 o'clock. Singing will be by the Anduzo Spanish singing group.

EASTER SERVICES COMMUNION OPENS

Two services of Holy Communion will open the Easter day celebration at the Temple Methodist church, Junipero Serra boulevard at 19th avenue.

At 8 a.m. Dr. R. Orman Roberts, pastor, will give the salutation, "He is Risen." Communion candles will be lighted on the altar at 8:45 in memory of members who have died since last Easter.

Dr. Roberts will give a sermon on "And He Shall Reign" at the 9:30 and 11 a.m. worship services. Three choirs, under the direction of Dorothy Clazie, will highlight these services.

At the 9:30 service the youth preparatory class will be received into membership.

CHURCH EASTER SERVICE TO BE AIRED ON RADIO

Easter day services at the Lutheran Church of Our Savior, Junipero Serra at Garfield, will be broadcast over radio stations KEAR and KKKX-FM from 11-11:30 a.m.

Services at the church will be held at 8:30 and 10:40 a.m. The sermon by pastor Luther M. Schleisser, Jr., and special music will be presented on the delayed broadcast.

The evening devotion will take place at 8 o'clock.

New Daly City members of the church include John Coccato, 125 Valley; Roger Edinger, 87 San Pedro; and Jan Moltke, 46 Eastlake.

The Lutheran Church of Our Savior ranked first in percentage of membership gain among established congregations of the California district of the American Lutheran church during 1955 with a 56 per cent increase.

SIXTH ANNUAL SUNRISE SERVICE SCHEDULED SUNDAY IN SOUTH S.F.

At the rising of the sun, the sixth annual Easter Sunrise Service will be held at the El Rancho Drive-In Theater, in South San Francisco. The attendance at this event has been growing each year and the committee is looking forward to seeing the entire grounds filled with the cars of worshippers.

The speaker for this inspiring service will be the Rev. Henry G. Hartner, executive secretary of the California Nevada district of the Lutheran church. Pastor Hartner is an outstanding speaker who has done a great amount of radio broadcasting from Denver, Colo. He had a regular 30 minute program over station KIMN, Denver. He was also the quiz pastor on the Good Wife's radio program over Station KOA, Denver. He was the guest speaker on the International Lutheran Hour for some months. "We are honored to have him bring the glorious message of the risen Savior at the Easter Sunrise service," church officials said. The music for the service will be given by Lutheran church choirs of the San Francisco area, under the direction of Miss Verla Grumm.

Pastor Glass Tells Plans For Easter

The Reverend John A. Glasse today announced special features of this Sunday's Easter service at the Broadmoor Presbyterian church. Special arrangements include supervised parking, Sunday school held 15 minutes early and two identical worship services.

Broadmoor police will direct traffic, and the Village Churchmen will direct on-the-premises parking beginning at 9 a.m.

Sunday school will begin at 9:30 a.m. instead of 9:45 a.m.

Two identical services, at 9:30 and 11 a.m., will be featured. The Sanctuary and Chapel choirs will present part II of Protheroe's cantata, "Eastertide," and Mrs. Paul Tranchina will sing "The Holy City" by Adams. Delmar Severy, organist-director, will preside at the console.

Easter Begins At Vista Grande With Resurrection Movie

Easter celebrations begin at the 101 Vista Grande Avenue Christian church with the church school program at 9:30 o'clock. Motion pictures showing the Story of the Resurrection will be shown. There are classes for all ages, including the nursery.

The Easter worship service is at 10:55 o'clock, and Dr. Howard Patrick McConnell, minister, will speak on the theme, "Man Is Forever." Easter music will be by the chancel choir under the direction of Mrs. Joseph Bloodworth, with Mrs. Charles Baldinger at the organ.

An Easter baptismal service will be held at 3 p.m. to which the public is invited. Dr. McConnell will administer the rite of baptism to several new members of the congregation.

The evening Easter youth service is at 7 o'clock under the sponsorship of Mr. and Mrs. Ivan Moats.

THE REV. LOUIS C. MARTING, pastor of Hope Lutheran church, will conduct Good Friday and Easter services at the Broadmoor community center, and dedication services of the church's new building April 8.

Hope Lutheran Church To Hold Friday Service

Rev. Louis C. Marting, pastor of the Hope Lutheran church, will conduct a noonday Good Friday service at 1 o'clock at the Broadmoor community center. A service of Holy Communion will be held at 8:30 p.m.

The Feast of the Resurrection will be observed on Easter morning with a service at 11 o'clock in the community center at Broadmoor Village. This will be the last service held in the church's temporary quarters.

Two special services will dedicate the new church, on Old San Pedro road, west of Junipero Serra, April 8. Construction of the new church edifice was begun one year ago.

Younger children in the "old building" from 9 to 12:30 a.m. with additional experienced helpers on hand.

Grace Church Slates Second Meet To Form New Boy Scout Unit

Elwood Westrom has been named temporary chairman of a new Scout troop being formed by the Grace Presbyterian church.

Initial meeting for formation of the new unit was held last week, with six boys and several parents showing up for the gathering.

Further organization will take place at a meeting to be held Monday night at the church. Among those present will be the pastor, the Rev. Thomas Whelpley, Westrom, committee members, the Scoutmaster and his assistant, and all interested parents.

The church also plans to organize a Cub-pack after the Troop is well underway.

Petroleum and allied products account for about 80 per cent of California's mineral production.

In Good Friday Services Visiting Reverends Assist

Seven visiting reverends will assist Pastor M. G. Berglund in presenting "Meditations on the Last Words of Jesus" at Good Friday services from noon to 3 p.m. at the Temple Baptist church, 3355 19th avenue.

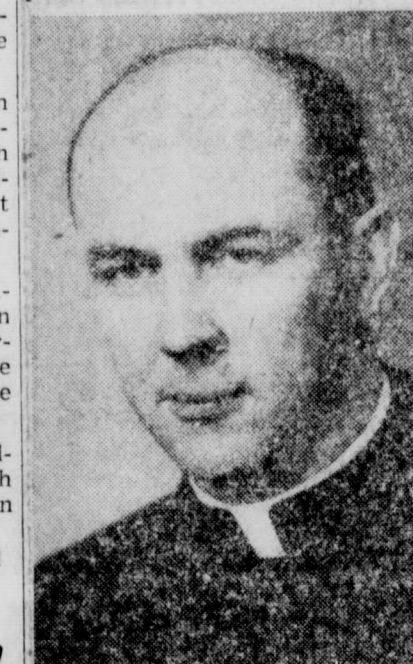

The presentations will be made from noon to 1 p.m. and from 1-3 p.m. The Temple Choir will repeat Stainer's "Crucifixion" from 1-2 p.m.

The visiting ministers are Rev. David Leach, North Coastside Baptist church; Rev. William Turner, Community Baptist church; Rev. William Ferguson, Portola Baptist church; Rev. Fred Halliwell, First Baptist church of Burlingame; Rev. Ivan Estes, First Baptist church of Linda Mar; and Rev. Charles Davenport, Central Baptist church.

Easter morning worship services will be conducted at 9:30 and 11 o'clock. A candlelight Communion Service will be held in the evening.

Easter Services At West Portal Church

Rev. A. H. Haake, pastor of West Portal Lutheran church, 200 Sloat boulevard, announces that this year the anniversary of the resurrection of Our Lord will be observed in four services beginning at 8, 9:30, 11 a.m. and 7:30 p.m.

Subject of the sermon for the morning services will be "The Power Of Easter." In the evening service the theme will be "Glory In The Empty Tomb." Special music by the choir, under the direction of Vern Liermann, will include "Jesus Christ Is Risen Today" and "Praise To the Lord In Highest Heaven." Vicar Herbert Holz will assist in all services. A cordial welcome is extended to all friends and visitors.

The first commercial planting of dates in California is believed to have been made about 1902 at Mecca in Riverside county.

FIGURE IT THIS WAY! For as little as 95 cents a week more than you'd pay for a small hardtop in the "lowest price field"—you can step up to the biggest, best looking, most luxurious hardtop in the "medium price field" . . . the Dodge Coronet V-8 Lancer!

Your King Size Buy-by far! '56 DODGE Coronet

Here is the value that will change your idea about "price class." The King Size Dodge Coronet actually brings you more length, looks and luxury, more big car roominess and big car ride, than other cars in the "medium price field"—even those costing a thousand dollars more!

Yet, the exciting news is this! For all its size, comfort, performance and style, the King Size Dodge Coronet is priced right down with the lowest. In fact, you can own a Dodge Coronet V-8 Lancer hardtop for only about 95 cents a week!

more than the same body style in the small car field.

Why settle for a small car when a new '56 Dodge Coronet brings you so much more for so little more! And why settle for a "stripped down" model of one of the medium priced cars when a full-size, full-styled, full-powered Dodge Coronet can be yours for less! There's a full line of Dodge Coronets to choose from: 2-door and 4-door sedans, 2-door and 4-door Lancer hardtops, and a dashing convertible.

Come in and see the Dodge Coronet today.

Size it up with others in the medium price field	
Car "B"	Dodge is 6.9 inches longer
Car "M"	Dodge is 5.6 inches longer
Car "O"	Dodge is 7.7 inches longer
Car "P"	Dodge is 6.4 inches longer

More legroom front and rear! More hiproom front and rear! Wider doors! Greater steering wheel clearance! More rear deck space! New '56 Dodge is bigger inside and out! Looks bigger! Rides bigger! Is bigger!

Price it against small cars in the "low price field"	
Car "C"	Dodge is 14.5 inches longer
Car "F"	Dodge is 13.5 inches longer

Yet Dodge costs only \$4.11 a month more (less than 95 cents a week)!

Push-button driving and record-breaking performance! At a touch of your finger, you command the greatest performing car on the road today—*the new!* The new '56 Dodge shattered every record in the book—including world records held by foreign cars—in its 14-day official run on Bonneville Salt Flats. The '56 Dodge V-8 holds more records than all other American cars combined!

City Candidates Tell Platforms

JOSEPH VERDUCCI

"I have promised the voters not to enter in petty debate over obscure charges," Joseph J. Verducci said today.

"I don't care to dignify misstatements by repeating them. But here are just a few of the real issues, stripped of political slant, about which the citizens must be informed:

Cost of government—The tax rate for general government is lower per \$100 than it was in 1952. Phenomenal population increases have obviously made demands for a higher budget, but taxes have risen only 10%, and most of this for capital improvements which should be pro-rated over many years.

Garbage collection—Under new state law requiring fill and cover of garbage, a costly operation, local scavengers were granted a justifiable rate increase over a year ago. Garbage collection has never been a free city service.

Water—Daly City residents enjoy one of the lowest water rates in the state.

Commission government—Except for commissions established by state law, commission type government is as outmoded as the horse and buggy, particularly under a city manager type government, which is the most widely-used system today.

Parking meter revenue—It is used for street repairs and only pays for a small share of these street costs.

Assessing—This job is handled by the city clerk and never has been under county jurisdiction.

Planning—The council has already asked for a consultant. The new subdivision ordinance and office of engineer puts Daly City planning on a long-range basis, provides for allocation of land for new city facilities.

Employee security—Only two employees have been dismissed in four years; one dismissal was upheld by the superior court, the other recommended by the city personnel board.

Parking—I will always be of the opinion that any major off-street parking program should not be paid for solely by the citizens. Such a project would cost approximately \$200,000, and should never be adopted unless approved at a bond election.

Civil defense—I have worked hard for establishment of a Civil Disaster Council here. Joseph J. Verducci seeks his second council term at the April 10 election.

SAM GRADO

"A sensible approach to city problems, instead of empty promises and foolish wrangling, is what Daly City voters have a right to demand of their Councilmen," stated Sam Grado, candidate for City Council at the April 10 election.

Mr. Grado, who has already given nine years' volunteer service as a member of the Volunteer Fire Department, in which he holds the position of Captain of Company 6, said that he has talked with hundreds of local residents since announcing his candidacy recently and the unanimous response seemed to be that people desired less bureaucracy and more common sense in city government.

"And again let me state that my campaign for election to the City Council has been conducted without political promises to any person or groups of persons. Therefore, I will not be obligated, if elected as a councilman, to use my office to further personal gains of anyone or groups of persons. It is my contention that Daly City could progress along constructive lines much faster if the persons holding public office were free of pressure from various groups anxious to further their own interests," Grado said.

"A Grade 'A' Candidate," with a top-grade program of common sense in city government, is the slogan of supporters of Sam Grado for city councilman, according to Frank Tardelli, Campaign Manager.

OFFICIALS ASKED TO HEAD DELEGATION TO STATE YOUTH CONFAB

Joseph J. Verducci, mayor; Louis B. Dematteis, juvenile court judge; and Thomas J. Callan, chairman, county board of supervisors have been asked to head a delegation to attend the conference on children and youth being called by Governor Goodwin J. Knight. The conference will be held in Sacramento Wednesday and Thursday with an attendance of approximately 4000 persons from all parts of California.

The conference will constitute, in effect, a statewide town meeting culminating a series of local town meetings which the Governor suggested to mayors and chairmen of county boards of supervisors to study juvenile delinquency and its prevention. It will afford an opportunity to review some of the findings that were made at the town meetings.

Paul Hupf

"Interests of both the businessmen and shoppers demand renewed efforts to solve the Mission street parking problem," City Council Candidate Paul Hupf said today.

Hupf, at 34 the youngest and most promising candidate in the race for council, is a practicing attorney and recognized civic leader. He was recently appointed to the city personnel board and is well-known for his work in community activities.

Hupf said one of the most severe problems in the Mission street area of Daly City is that of parking. He promised to "pledge myself to working actively for measures that will relieve the parking situation, but at all times will consider first the costs of such measures."

Hupf declared that lack of parking in the Mission area is not only an inconvenience to citizens, but has a drastic effect on the area's economy. "Adequate parking means a higher level of business economy and higher property values. It also means more tax revenue for the city."

Frank Paelli, chairman of the citizens committee for election of Paul Hupf, said today that his candidate is the man to "Put Ability in Government." Paelli revealed, "More and more people are joining the rally for Hupf as they recognize his professional qualifications and his forthright desire to help govern honestly and efficiently this rapidly-growing community."

"With the response that has been shown already," Paelli continued, "We are confident that Paul Hupf will be elected city councilman April 10."

Besides his background as an attorney and active participant in community affairs, Hupf has a fine record of military service, seeing combat in the Pacific Theater in World War II with the United States Marine Corps.

JOSEPH LEWKOWITZ

There has been more criticism of the functional operation of our city government now, than at any time I can remember, according to Joe Lewkowicz this week.

One department mentioned most often is the newly established position of purchasing agent, where through lack of knowledge of good purchasing practices or over controlled administrative procedures has created a worthless department. It should be the responsibility of each department to establish the standards and specifications they desire except for common items such as office supplies. Basic principles of economics should be practiced in the operation of city business where by all purchases so far as practical be made with local business firms.

Another dislike high on the list of disapproval is the abandonment of the fire and police commissions. If these commissions had been functioning the reputation of one of our top police personnel would not have been marred, not to mention the embarrassment suffered by his family. The unfavorable publicity that was a shame to every citizen of Daly City would not have taken any public notice whatsoever, it would have been a routine commission function where a fair hearing would have been given. It would also give every civil service employee a feeling of security and faith they would be given a fair hearing without recourse.

During the year under city management there has not been one staff or top departmental meeting held, instead duplicate department heads have been created to do nothing more than increase administrative cost without increasing service or function. I purpose the elimination, duplication of departments with the encouragement of staff type administration.

Re-evaluation of wages and job standards in order that those who have the skill or are performing the duties should be given the job title and the money for which the job pays. It is true some employees are performing like jobs in different departments receiving different wage scales. Elect a true public servant.

Illegally Dumped Trash Causes Explosion, Fire

The roof of the Central Hog Ranch barn was set on fire Tuesday when turpentine, paint cans and other inflammables illegally dumped on the Mount Olivet cemetery property exploded.

The explosion carried flaming debris 20 feet into the air and some of it landed on the roof of the barn, just across the property line.

Colma firemen put out the flames, and fire commissioner Attilio Conserva estimated damage to the roof at \$150.

Conserva said that public dumping on the cemetery property is illegal, and that anyone who does so is subject to prosecution.

HARRY ROSS and PETER BECKER, JR.

With the campaign entering into its final stage, we feel that our forthright "statement of policy" has been of value in qualifying us, in the eyes of the voters, as mature men who have submitted constructive criticism of our local city administration. We have not entered into personalities nor based our candidacy upon generalized statements.

The material we presented relating to the 15 per cent raise in assessed valuation, the additional 10 per cent raise in the tax rate, the loss of our free garbage service, the loss of our water-bill discount, the loss of our off-street parking program, the incomplete parks and playgrounds, and the uncompleted Veteran's Memorial Building was factual information researched from the official records at the city hall.

In the three weeks since we published this information, we have not had a denial or challenge of our statements from any of our opponents. Since each candidate has had the opportunity to express himself, we do not expect any last-minute "smear campaign."

Our campaign has been based on a direct appeal to the intelligent, temperate, factual information. We believe this to be in direct contrast with the campaign pledges and slogans of Mrs. Dennis and Mr. Verducci, published in THE RECORD four years ago, when they asked for your support.

In conclusion, we wish to thank the many voters who have expressed their gratitude to us individually for publishing factual information. It is our desire that the campaign be presented on a dignified basis, consistent with our business experience and maturity, and not on public utility poles in violation of California laws. We do not believe that any segment of voters opposed to our statement of policy should be classified as a "cheap political group." We welcome their ideas and cooperation in assisting us to solve the problems confronting us and in the administration of the affairs of our city in a more efficient and economical manner.

EDWARD J. DENNIS

In the past few days two important endorsements have been given Councilman Edward J. Dennis. At a special meeting of the Committee of Political Education of San Mateo county, which consists of representation from all labor organizations in this area, the delegates unanimously endorsed Dennis.

Before the vote was taken, the civic record and labor relations experience of each council candidate was presented to the entire body.

Dennis stated, "With this fine endorsement, together with the many signature endorsements of our leading business people, I have every confidence that my voting record, which has shown fairness to both labor and business, will result in my return to office."

Another recent endorsement for Dennis came from Northgate Transit Co. which is Daly City's intra-city service.

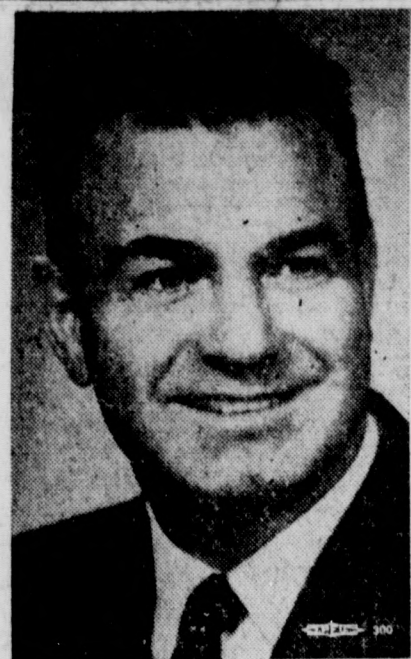

Dennis, who has always advocated encouraging local business, thus making more jobs available, voted for this improved local transportation.

Although SF Municipal Railway officials repeatedly made demands for a large subsidy to provide service here, Dennis consistently refused to vote for any measure which would spend taxpayers' money for public transportation. This intelligent leadership has given Daly City transportation to all points in the city, without any tax burden.

"My sincerity, experience and progressive record of 8 years as councilman has always been in the interests of good government," Dennis said. "At this time I wish to extend appreciation to my many friends of long-standing in Daly City who are so diligently soliciting votes in order that I may be returned to office to help govern as a trusted public servant."

Crate Repair Shop Fire Results In \$50 Damage

Crates valued at approximately \$50 were burned when a fire broke out at a box repair shop on Old San Pedro road Monday, according to George Riccomi of the Colma fire department. Two pieces of equipment were dispatched.

"KEEP DALY CITY IN BUSINESS"

I have tried to conduct my campaign on the basis of accomplishments and clear-cut issues. For the most part, these issues are clear, but there might be some question in the minds of citizens because of false statements being issued. Below are a few of the real issues about which citizens should be informed.

PART VI Important Information

GOVERNMENT COSTS Tax rate for general government is lower per \$100 than it was in 1952. Phenomenal population increases have required higher budgets, but taxes have risen only 10%. Much of the recently-incurred expenses were for major capital improvements which will still be in use many years from now.

GARBAGE Under new state laws requiring fill and cover of garbage, a costly operation, local scavengers were given a justifiable rate increase. Garbage collection has NEVER been a free city service.

COMMISSIONS Except for state-established commissions, commission type of government is considered half a century out of date. Particularly under a city manager type of government, which is the most universally adopted system of government today.

PARKING METERS Revenue from meters is used for major street repairs. It has paid for only a minor part of total street maintenance costs.

ASSESSING This job is handled by the city clerk, who is responsible for raising or lowering assessments.

PLANNING The council has already asked for a consultant. The new sub division law provides for long-range planning and allows for allocations of land for new city facilities.

EMPLOYEE SECURITY Only 2 employees have been dismissed in four years; both were removed for direct violation of municipal rules and regulations regarding conduct on the job.

PARKING A \$200,000 off-street parking project has been proposed. I will not favor any such plan when cost of it must be borne solely by the homeowners. Such a plan would not be financially feasible and should never be adopted unless approved by the people at a bond election.

CIVIL DEFENSE I have worked hard for establishment of a Civil Disaster Council which has been established and is now mapping a comprehensive program for civil defense and disaster.

Re-Elect Mayor JOSEPH J.

VERDUCCI DALY CITY COUNCILMAN

Sponsored by Committee For Re-Election of Mayor Joseph Verducci
Don Lasher, Pres.; Vince Alberti, Secretary

JANE KEITH

This week I would like to discuss with you my stand on the City Manager form of government and those Councilmen who brought it to Daly City.

In plain language, I am on their side of the fence. To me, their courage in seeing to the future rather than the past of Daly City deserves compliments instead of the castigation they have received from the "recall" group.

"Recall" candidates have and are suggesting a return to the good old days of City Administrator, Council and Commissions set up already proven to be inadequate for a town of 30,000 people. Since neither City Administrators nor Commissioners have any power save to "recommend"—such a suggestion adds up to this: The "recall" candidates wish complete power. City Administrator and Commission members will, because they must with such a set up, act as "Whipping Boys" for any mistakes made by such a council!

Knowing this, is it any wonder that I am for a City Manager? And for a council honest enough to realize that, as part time officials, they could not possibly do the job and do it right?

City Manager Mr. Stites has been a target for much personal criticism since he was hired and this, too, has come from Mr. Selmi's "recall" group. It has harped on such off beat questions as "Where does Mr. Stites eat?" "Is he a positive or negative personality?" and "Why are so many people antagonistic to him?"

Well, we interviewed Mr. Stites shortly after his arrival in Daly City and found him to be a positive personality indeed. We discovered that he preferred to lunch at home when possible and to rest, if only for a few minutes, in preparation

Mechanic Found Guilty Of Drunk Driving Charge

Russell Thompson, 32-year-old San Francisco airlines mechanic, was found guilty of a felony charge of drunk driving in superior court last week. Sentencing is scheduled for April 10.

Thompson was the driver of one of two cars involved in a head-on crash at the intersection of Alemany avenue and Lake Merced boulevard December 15. Mr. and Mrs. Shelley Smith of San Francisco were hurt in the accident.

A jury of four men and eight women who heard the case during a three-day trial before Judge Louis Dematteis reached the verdict after a one hour deliberation.

for the constant meetings involved in his work. We sized him up as a straightforward and fairminded person with a tremendous job of organizing to do. . . . And he has done that job!

Having been hired, not to scratch anyone's political back, but to bring Daly City up to "scratch" as a city he has naturally stepped on a few tender toes. . . . (even mine as Library Commissioner)—but he has done so without malice and with only the city's interest at heart.

Both the council and Mr. Stites have asked but one simple question in their reorganization of personnel and city purchases: "Are we getting maximum returns for monies expended?" and the "antagonistic groans" from some quarters of our town would seem to prove the question has real merit!

These are my feelings about the situation . . . and as a candidate for the office of City Treasurer of Daly City I feel you should know where I stand before the April 10 election—not afterwards.

Sincerely, Jane Keith.

Greyhound Line Raises Peninsula Ride Fares

Higher commute fares were authorized by the State Public Utilities commission Tuesday for operations in the San Francisco peninsula area.

The order eliminated the present 12-ride commute books, and in-

stalled 20-ride books. The 20-ride books will be valid during the month sold and the following month.

The order increases commute book prices, for 20 rides instead of 12, as follows: Brisbane and Daly City, \$2 to \$4; Westlake and Pacific Manor, \$2 to \$4; and Sharp Park, \$2 to \$4.50.
